ADHYĀYA 1

adi men vachan tha, aur vachan parameshvar ke sath tha, aur vachan parameshvar tha.

² yahee adi men parameshvar ke sath tha.

³ sab kuchh usee ke dara utpann hua aur jo kuchh utpann hua haai, us men se koi bhee vastu usake bina utpann n hui.

⁴ us men jeevan tha aur vah jeevan munashyon kee jyoti thee.

⁵ aur jyoti andhakar men chamakatee haai aur andhakar ne use grahan n kiya.

⁶ aek manushy parameshvar kee or se a upasthiat hua jis ka nam yoohanna tha.

⁷ yah gavahee dene aya, ki jyoti kee gavahee de, taki sab usake dara vishvas laaen.

⁸ vah ap to vah jyoti n tha, parantu us jyoti kee gavahee dene ke liye aya tha.

⁹ sachchee jyoti jo har aek manushy ko prakaashait karatee haai, jagat men anevalee thee.

¹⁰ vah jagat men tha, aur jagat usake dara utpann hua, aur jagat ne use naheen paahichana.

¹¹ vah apane ghar men aya aur usake apanon ne use grahan naheen kiya.

¹² parantu jitanon ne use grahan kiya, us ne unhen parameshvar ke santan hone ka adhaikar diya, arthata unhen jo usake nam par vishvas rakhte haain.

¹³ ve n to lohoo se, n shareer kee ichchha se, n manushy kee ichchha se, parantu parameshvar se utpann huae haain.

¹⁴ aur vachan dehadhaaree hua aur anugrah aur sachchai se paripoorn hokar hamare beech men dera kiya, aur ham ne us kee aeese mahima dekhee, jaaisee pita ke aekalaut kee mahima.

¹⁵ yoohanna ne usake vishay men gavahee dee, aur pukarakar kaha, ki yah vahee haai, jis ka maain ne varnn kiya, ki jo mere bad a raha haai, vah mujh se baddhkar haai kyonaki vah mujh se pahile tha.

¹⁶ kyonaki us kee paripoornata se ham sab ne praapt kiya arthata anugrah par anugraha.

¹⁷ isaliye ki vyavastha to moosa ke dara dee gai parantu anugrah, aur sachchai yeeshu maseeh ke dara pahunchee.

¹⁸ parameshvar ko kisee ne kabhee naheen dekha, aekalauta putra jo pita kee god men haai, usee ne use pragatt kiya..

¹⁹ yoohanna kee gavahee yah haai, ki jab yahoodiyon ne yarooshalem se yajakon aur leveeyon ko us se yah poochhne ke liye bheja, ki too kaun haai?

20 to us ne yah man liya, aur inkar naheen kiya parantu man liya ki maain maseeh naheen hoon.

21 tab unhon ne us se poochha, to fir kaun haai? kya too aeliyyah haai? us ne kaha, maain naheen hoon: to kya too vah bhavishyadvkta haai? us ne uttr diya, ki naheen.

22 tab unhon ne us se poochha, fir too haai kauna? taaki ham apane bhejanevalon ko uttr den too apane vishay men kya kahata haai?

23 us ne kaha, maain jaaisa yashaayah bhvishyadvkta ne kaha haai, jangal men ek pukaranevale ka shabd hoon ki tum prabhu ka marga seedha karo.

24 ye fareesiyon kee or se bheje gaae the.

25 unhon ne us se yah prashn poochha, ki yadi too n maseeh haai, aur n eliyyah, aur n vah bhvishyadvkta haai, to fir bapaatisma kyon deta haai?

26 yoohanna ne un ko uttr diya, ki maain to jal se bapatisma deta hoon parantu tumhare beech men aek vyaktai khda haai, jise tum naheen janate.

27 arthata mere bad anevara haai, jis kee jootee ka bandha maain kholane ke yogy naheen.

28 ye baten yaradan ke par baaitaniyyah men hui, jahan yoohanna bapaatisma deta tha.

29 doosare din us ne yeeshu ko apanee or ate dekhkar kaha, dekho, yah parameshvar ka memna haai, jo jagat ke pap utta le jata haai.

30 yah vahee haai, jis ke vishay men maain ne kaha tha, ki aek puroosh mere peechhe ata haai, jo mujh se shraeshtt haai, kyonki vah mujh se pahile tha.

31 aur maain to use paahichanata n tha, parantu isaliye maain jal se bapaatisma deta hua aya, ki vah israael par pragatt ho jaae.

32 aur yoohanna ne yah gavahee dee, ki maain ne atma ko kabootar kee nain akash se utarate dekha haai, aur vah us par tthar gaya.

33 aur maain to use paahichanata n tha, parantu jis ne mujhe jal se bapatisma dene ko bheja, usee ne mujh se kaha, ki jis par too atma ko utarate aur ttharate dekhe vahee pavitra atma se bapatisma denevara haai.

34 aur maain ne dekha, aur gavahee dee haai, ki yahee parameshvar ka putra haai..

35 doosare din fir yoohanna aur usake chelon men se do jan khde huae the.

36 aur us ne yeeshu par jo ja raha tha draashtti karake kaha, dekho, yah parameshvar ka memna haai.

37 tab ve donon chele us kee sunakar yeeshu ke peechhe ho liae.

38 yeeshu ne firakar aur un ko peechhe ate dekhkar un se kaha, tum kis kee khoj men ho? unhon ne us se kaha, he rabbee, arthata he guroo too kahan rahata haai? us ne un se kaha, chalo, to dekh loge.

39 tab unhon ne akar usake rahane ka sthan dekha, aur us din usee ke sath rahe aur yah dasaven ghannte ke lagabhg tha.

40 un donon men se jo yoohanna kee bat sunakar yeeshu ke peechhe ho liae the, ek to shamaun pataras ka bhai andairyas tha.

41 us ne paahile apane sage bhain shamaun se milakar us se kaha, ki ham ko khaistas arthata maseeh mil gaya.

42 vah use yeeshu ke pas laya: yeeshu ne us par draashtti karake kaha, ki too yoohanna ka putra shamaun haai, too kefaa, arthata pataras kahalaaga..

43 oodoosare din yeeshu ne galeel ko jana chaha aur filippus se milakar kaha, mere peechhe ho le.

44 filippus to andairyas aur pataras ke nagar baaitasaaida ka nivasee tha.

- ⁴⁵ filippus ne natanaael se milakar us se kaha, ki jis ka varnn moosa ne vyavastha men aur bhavishyadvktaon ne kiya haai, vah ham ko mil gaya vah yoosufa ka putra, yeeshu nasaree haai.
- ⁴⁶ natanaael ne us se kaha, kya koi achchhee vastu bhee nasarat se nikal sakatee haai? filippus ne us se kaha, chalakar dekh le.
- ⁴⁷ yeeshu ne natanaael ko apanee or ate dekhkar usake vishay men kaha, dekho, yah sachamuch israaelee haai: is men kapatt naheen.
- ⁴⁸ natanaael ne us se kaha, too mujhe kahan se janata haai? yeeshu ne us ko uttr diya us se paahile ki filippus ne tujhe bulaya, jab too anjeer ke ped ke tale tha, tab maain ne tujhe dekha tha.
- ⁴⁹ natanaael ne us se kaha, too mujhe kahan se janata haai? yeeshu ne us ko uttr diya us se paahile ki filippus ne tujhe bulaya, jab too anjeer ke ped ke tale tha, tab maain ne tujhe dekha tha.
- ⁵⁰ natanaael ne us ko uttr diya, ki he rabbee, too parameshvar ka putra haai too israael ka maharaja haai.
- ⁵¹ yeeshu ne us ko uttr diya maain ne jo tujh se kaha, ki men ne tujhe anjeer ke ped ke tale dekha, kya too izee liye vishvas karata haai? too is se bade bade kam dekhega.

ADHYĀYA 2

- f**ir us se kaha, maain tum se sach sach kahata hoon ki tum svarga ko khula hua, aur parameshvar ke svargadooton ko upar jate aur manushy ke putra ke upar utarate dekhoge..
- ² fir teesare din galeel ke kana men kisee ka byah tha, aur yeeshu kee mata bhee vahan thee.
- ³ aur yeeshu aur usake chele bhee us byah men nevate gaae the.
- ⁴ jab dakhras ghatt gaya, to yeeshu kee mata ne us se kaha, ki un ke pas dakhras naheen raha.
- ⁵ yeeshu ne us se kaha, he maahila mujhe tujh se kya kama? abhee mera samay naheen aya.
- ⁶ us kee mata ne sevakon se kaha, jo kud vah tum se kahe, vahee karana.
- ⁷ vahan yahoodiyon ke shuuddh karane kee reeti ke anusar patthr ke chh: mattke dhare the, ji men do do, teen teen man samata tha.
- ⁸ yeeshu ne un se kaha, ab nikalakar bhoj ke pradhaan ke pas le jao.
- ⁹ ve le gaa, jab bhoj ke pradhaan ne vah panee chakha, jo dakhras ban gaya tha, aur naheen janata tha, ki vah kahan se aya he, parantu jin sevakon ne panee nikala tha, ve janate the to bhoj ke pradhaan ne doolhe ko bulakar, us se kaha.
- ¹⁰ har aek manushy paahile achchha dakhras deta haai aur jab log peekar chhk jate haai, tab madhyam deta haai parantu too ne achchha dakhras ab tak rakh chhoda haai.
- ¹¹ yeeshu ne galeel ke kana men apana yah pahila chinh dikhakar apanee mahima pragatt kee aur usake chelon ne us par vishvas kiya..
- ¹² is ke bad vah aur us kee mata aur usake bhai aur usake chele kafaranahoom ko gaae aur vahan kuchh din rahe..
- ¹³ yahoodiyon ka fasah ka pabrba nikatt tha aur yeeshu yarooshalem ko gaya.
- ¹⁴ aur us ne maandair men baail aur bhed aur kabootar ke bechanevalon or sarrafaon ko baaitte huae paya.

- ¹⁵ aur raassaiyon ka koda banakar, sab bhedon aur baailon ko mandair se nikal diya, aur sarrafaon ke paaise bithra dia, aur peeddhon ko ulatt diya.
- ¹⁶ aur kabootar bechanevalon se kaha inhen yahan se le jao: mere pita ke bhvan ko vyopar ka ghar mat banao.
- ¹⁷ tab usake chelon ko smaran aya ki likha haai, 'tere ghar kee dhaun mujhe kha jaaegeen.
- ¹⁸ is par yahoodiyon ne us se kaha, too jo yah karata haai to hamen kaun sa chinh dikhata he?
- ¹⁹ yeeshu ne un ko uttr diya ki is mandair ko ddha do, aur maain use teen din men khda kar doonga.
- ²⁰ yahoodiyon ne kaha is mandair ke banane men chhyaiaalees varsha lage he, aur kya too use teen din men khda kar dega?
- ²¹ parantu us ne apanee deh ke mandair ke vishay men kaha tha.
- ²² so jab vah mudorn men se jee utta to usake chelon ko smaran aya, ki us ne yah kaha tha aur unhon ne paavitra shaasr aur us vachan kee jo yeeshu ne kaha tha, prateeati kee..
- ²³ jab vah yarooshalem men fasah ke samay pabrba men tha, to bahuton ne un chinhon ko jo vah dikhata tha dekhkar usake nam par vishvas kiya.
- ²⁴ parantu yeeshu ne apane ap ko un ke bhrose par naheen chhoda, kyonki vah sab ko janata tha.
- ²⁵ aur use prayojan n tha, ki manushy ke vishay men koi gavahee de, kyonki vah ap janata tha, ki manushy ke man men kya haai?

ADHYĀYA 3

- f**areesiyon men se neekudemus nam aek manushy tha, jo yahoodiyon ka saradar tha.
- ² us ne rat ko yeeshu ke pas akar us se kaha, he rabbee, ham janate haai, ki too parameshvar kee are se guroo ho kar aya haai kyonaki koi in chinhon ko jo too dikhata haai, yaadi parameshvar usake sath n ho, to naheen dikha sakata.
- ³ yeeshu ne us ko uttr diya ki maain tujh se sach sach kahata hoo, yadi koi naye sire se n janmen to parameshvar ka rajy dekh naheen sakata.
- ⁴ neekudemus ne us se kaha, manushy jab booddha ho gaya, to kyonkar janm le sakata haai?
- ⁵ yeeshu ne uttr diya, ki maain tujh se sach sach kahata hoon jab tak koi manushy jal aur atma se n janme to vah parameshvar ke rajy men pravesch naheen kar sakata.
- ⁶ kyonaki jo shareer se janma haai, vah shareer haai aur jo atma se janma haai, vah atma haai.
- ⁷ achambha n kar, ki maain ne tujh se kaha ki tumhen naye sire se janm lena avashy haai.
- ⁸ hava jidhar chahatee haai udhar chalatee haai, aur too usaka shabd sunata haai, parantu naheen janata, ki vah kahan se atee aur kidhar ko jatee haai? jo koi atma se janma haai vah aeesa hee haai.
- ⁹ neekudemus ne us ko uttr diya ki ye baten kyonkar ho sakatee haain?
- ¹⁰ yah sunakar yeeshu ne us se kaha too israaeliyon ka guroo ho kar bhee kya in baton ko naheen samajhta.
- ¹¹ maain tujh se sach sach kahata hoon ki ham jo janate haai, vah kahate haai, aur jise

ham ne dekha haai us kee gavahee dete haai, aur tum hamaree gavahee grahan naheen karate.

12 jab maain ne tum se prathvee kee baten kahee, aur tum prateeeti naheen karate, to yaadi maain tum se svarga kee baten kahoo, to fir kyonkar prateeti karoge?

13 aur koi svarga par naheen chaddha, keval vaheen jo svarga se utara, arthata manushy ka putra jo svarga men haai.

14 aur jis reeti se moosa ne jangal men sanp ko unche par chaddhaya, usee reeti se avashy haai ki manushy ka putra bhee unche par chaddhaya jaae.

15 taaki jo koi vishvas kare us men anant jeevan paae..

16 kyonaki parameshvar ne jagat se aeesa praem rakha ki us ne apana aekalauta putra de diya, taaki jo koi us par vishvas kare, vah nash n ho, parantu anant jeevan paae.

17 parameshvar ne apane putra ko jagat men isaliye naheen bheja, ki jagat par dand kee agyaa de parantu isaaliye ki jagat usake dara uddhar paae.

18 jo us par vishvas karata haai, us par dand kee agyaa naheen hotee, parantu jo us par vishvas naheen karata, vah doshae tthara chuka isaliye ki us ne parameshvar ke aekalaute putra ke nam par vishvas naheen kiya.

19 aur dand kee agyaa ka karan yah haai ki jyoti jagat men ai haai, aur manushyon ne andhakar ko jyoti se adhaik piri jana kyonki un ke kam bure the.

20 kyonaki jo koi burai karata haai, vah jyoti se baair rakhta haai, aur jyoti ke nikatt naheen ata, aeesa n ho ki usake kamon par dosh lagaya jaae.

21 parantu jo sachchai par chalata haai vah jyoti ke nikatt ata haai, taaki usake kam pragatt ho, ki vah parameshvar kee or se kiae gaae haain.

22 is ke bad yeeshu aur usake chele yahoodiya desh men aae aur vah vahan un ke sath rahakar bapaatisma dene laga.

23 aur yoohanna bhee shaalema ke nikatt aeenon men bapaatisma deta tha. kyonaki vahan bahut jal tha aur log akar bapatisma lete the.

24 kyonaki yoohanna us samay tak jelakhane men naheen dala gaya tha.

25 vahan yoohanna ke chelon ka kisee yahoodiee ke sath shuuddh ike vishay men vada-avivad hua.

26 aur unhon ne yoohanna ke pas akar us se kaha, he rabbee, jo vyaktai yaradan ke par tere sath tha, aur jis kee too ne gavahee dee haai dek, vah bapatisma deta haai, aur sab usake pas ate haain.

27 yoohanna ne uttr diya, jab tak manushy ko svarga se n diya jaae tab tak vah kuchh naheen pa sakata.

28 tum to ap hee mere gavah ho, ki maain ne kaha, maain maseeh nahee, parantu usake age bheja gaya hoon.

29 jis kee dulaahin haai, vahee doolha haai: parantu doolhe ka mitra jo khda hua us kee sunata haai, doolhe ke shabd se bahut hashairt hota haai ab mera yah harsha poora hua haai.

30 avashy haai ki vah baddhe aur maain ghatoon..

31 jo upar se ata haai, vah sarvottm haai, jo prathvee se ata haai vah prathvee ka haai aur prathvee kee hee baten kahata haai: jo svarga se ata haai, vah sab ke upar haai.

32 jo kuchh us ne dekha, aur suna haai, usee kee gavahee deta haai aur koi us kee gavahee grahan naheen karata.

33 jis ne us kee gavahee grahan kar lee us ne is bat par chhap de dee ki parameshvar sachcha haai.

- ³⁴ kyonaki jise parameshvar ne bheja haai, vah parameshvar kee baten kahata haai: kyonaki vah atma nap napakar naheen deta.
- ³⁵ pita putra se praem rakhta haai, aur us ne sab vastuen usake hath men de dee haain.
- ³⁶ jo putra par vishvas karata haai, anant jeevan usaka haai parantu jo putra kee naheen manata, vah jeevan ko naheen dekhega, parantu parameshvar ka krodha us par rahata haai..

ADHYĀYA 4

- f**ir jab prabhu ko maloom hua, ki fareeasiyon ne suna haai, ki yeeshu yoohanna se aadhaik chele banata, aur unhen bapatisma deta haai.
- ² yadhyipi yeeshu ap naheen baran usake chele bapaatisma dete the.
- ³ tab yahoodiya ko chhodkar fir galeel ko chala gaya.
- ⁴ aur us ko samariya se hokar jana avashy tha.
- ⁵ so vah sookhar nam samariya ke aek nagar tak aya, jo us boomi ke pas haai, jis yakoob ne apane putra yoosufa ko diya tha.
- ⁶ aur yakoob ka kooan bhee vaheen tha so yeeshu marga ka thka hua us kooaen par yonhee baaitt gaya, aur yah bat chhtte ghannte ke lagabhg hui.
- ⁷ itane men aek samaree sree jal bhrane ko ai: yeeshu ne us se kaha, mujhe panee pila.
- ⁸ kyonaki usake chele to nagar men bhojan mol lene ko gaae the.
- ⁹ us samaree sree ne us se kaha, too yahoodee hokar mujh samaree sree se panee kyon mangata haai? kyonaki yahoodee samariyon ke sath kisee prakar ka vyavahar naheen rakhte.
- ¹⁰ yeeshu ne uttr diya, yaadi too parameshvar ke baradan ko janatee, aur yah bhee janatee ki vah kaun haai jo tujh se kahata haai mujhe panee pila to too us se mangatee, aur vah tujhe jeevan ka jal deta.
- ¹¹ sree ne us se kaha, he prabhu, tere pas jal bhrane ko to kuchh haai bhee nahee, aur kooan gahira haai: to fir vah jeevan ka jal tere pas kaha se aya?
- ¹² kya too hamare pita yakoob se bada haai, jis ne hamen yah kooan diya aur apahee apane santan, aur apane ddharon samet us men se peeya?
- ¹³ yeeshu ne us ko uttr diya, ki jo koi yah jal peeaega vah fir piyasa hoga.
- ¹⁴ parantu jo koi us jal men se peeaega jo maain use doonga, vah fir anantakal tak piyasa n hoga: baran jo jal maain use doonga, vah us men aek sota ban jaaega jo anant jeevan ke liye umadta rahega.
- ¹⁵ saee ne us se kaha, he prabhu, vah jal mujhe de taaki maain pyasee n houn aur n jal bhrane ko itanee door aun.
- ¹⁶ yeeshu ne us se kaha, ja, apane paati ko yahan bula la.
- ¹⁷ sree ne uttr diya, ki maain bina paati kee hoon: yeeshu ne us se kaha, too tteek kahatee haai ki maain bina paati kee hoon.
- ¹⁸ kyonaki too panch paati kar chukee haai, aur jis ke pas too ab haai vah bhee tera paati naheen yah too ne sach kaha haai.
- ¹⁹ sree ne us se kaha, he prabhu, mujhe gyaat hota haai ki too bhvishyadvkta haai.
- ²⁰ hamare bapadadon ne usee pahad par bhjan kiya: aur tum kahate ho ki vah jagah jahan bhjan karana chaahiae yarooshalem men haai.
- ²¹ yeeshu ne us se kaha, he naree, merree bat kee prateeti kar ki vah samay ata haai ki tum n to is pahad par pita ka bhjan karoge n yarooshalem men.

- 22 tum jise naheen janate, usaka bhjan karate ho aur ham jise janate haain usaka bhjan karate haain kyonaki uddhar yahoodiyon men se haai.
- 23 parantu vah samay ata haai, baran ab bhee haai jis men sachche bhkt pita ka bhjan atma aur sachchai se karenge, kyonki pita apane liye aeese hee bhjan karanevalon ko ddoondhata haai.
- 24 parameshvar atma haai, aur avashy haai ki usake bhjan karanevale atma aur sachchaai se bhjan karen.
- 25 sree ne us se kaha, maain janatee hoon ki maseeh jo kheestus kahalata haai, anevala haai jab vah aaega, to hamen sab baten bata dega.
- 26 yeeshu ne us se kaha, maain jo tujh se bol raha hoo, vahee hoon..
- 27 itane men usake chele a gaa, aur achambha karane lage, ki vah sree se baten kar raha haai taubhee kisee ne n kaha, ki too kya chahata haai? ya kis liye us se baten karata haai.
- 28 tab sree apana ghada chhodkar nagar men chalee gai, aur logon se kahane lagee.
- 29 ao, aek manushy ko dekho, jis ne sab kuchh jo maain ne kiya mujhe bata diya: kaheen yah to maseeh naheen haai?
- 30 so ve nagar se nikalakar usake pas ane lage.
- 31 itane men usake chele yeeshu se yah binatee karane lage, ki he rabbee, kuchh kha le.
- 32 parantu us ne un se kaha, mere pas khane ke liye aeesea bhojan haai jise tum naheen janate.
- 33 tab chelon ne apas men kaha, kya koi usake liye kuchh khane ko laya haai?
- 34 yeeshu ne un se kaha, mera bhojan yah haai, ki apane bhejanevale kee ichchha ke anusar chaloon aur usaka kam poora karoon.
- 35 kya tum naheen kahate, ki kattnee hone men ab bhee char maheene pade haain? dekho, maain tum se kahata hoo, apanee ankhe uttakar kheton par draashti dalo, ki ve kattnee ke liye pak chuke haain.
- 36 aur kattnevala majadooree pata, aur anant jeevan ke liye fal battorata haai taaki bonevala aur kattnevala donon milakar anand karen.
- 37 kyonaki is par yah kahavat tteek baaittee haai ki banevala aur haai aur kattnevala aura.
- 38 maain ne tumhen vah khet kattne ke liye bheja, jis men tum ne parishram naheen kiya: auron ne parishram kiya aur tum un ke paarishram ke fal men bhagee hue..
- 39 aur us nagar ke bahut samariyon ne us sree ke kahane se, jis ne yah gavahee dee thee, ki us ne sab kuchh jo maain ne kiya haai, mujhe bata diya, vishvas kiya.
- 40 tab jab ye samaree usake pas aa, to us se binatee karane lage, ki hamare yahan raha: so vah vahan do din tak raha.
- 41 aur usake vachan ke karan aur bhee bahuteron ne vishvas kiya.
- 42 aur us sree se kaha, ab ham tere kahane kee se vishvas naheen karate kyonaki ham ne ap hee sun liya, aur janate haain ki yahee sachamuch men jagat ka uddharakarta haai..
- 43 fir un do dinon ke bad vah vahan se kooch karake galeel ko gaya.
- 44 kyonaki yeeshu ne ap hee sakshaee dee, ki bhvishyadvkta apane desh men adar naheen pata.
- 45 jab vah galeel men aya, to galeelee anand ke sath us se mile kyonaki jitane kam us ne yarooshalem men pabrba ke samay kiae the, unhon ne un sab ko dekha tha, kyonaki ve bhee pabrba men gaae the..
- 46 tab vah fir galeel ke kana men aya, jahan us ne panee ko dakh ras banaya tha: aur raja

ka karmacharee tha jis ka putra kafaranahoom men beemar tha.

⁴⁷ vah yah sunakar ki yeeshu yahoodiya se galeel men a gaya haai, usake pas gaya aur us se binatee karane laga ki chalakar mere putra ko changa kar de: kyonki vah marane par tha.

⁴⁸ yeeshu ne us se kaha, jab tak tum chinh aur adabhut kam n dekhoge tab tak kadaapi vishvas n karoge.

⁴⁹ raja ke karmacharee ne us se kaha he prabhu, mere balak kee mratyu hone ke pahile chala.

⁵⁰ yeeshu ne us se kaha, ja, tera putra jeeavit haai: us manushy ne yeeshu kee kahee hui bat kee prateeati kee, aur chala gaya.

⁵¹ vah marga men ja raha tha, ki usake das us se a mile aur kahane lage ki tera ladka jeeavit haai.

⁵² us n un se poochha ki kis ghadee vah achda hone laga? unhon ne us se kaha, kal sataven ghannte men usaka jvar utar gaya.

⁵³ tab pita jan gaya, ki yah usee ghadee hua jis ghadee yeeshu ne us se kaha, tera putra jeevit haai, aur us ne aur usake sare gharane ne vishvas kiya.

⁵⁴ yah doosara ashcharyakarma tha, jo yeeshu ne yahoodiya se galeel men akar dikhaya..

ADHYĀYA 5

In baton ke peechhe yahoodiyon ka aek pabrba hua aur yeeshu yarooshalem ko gaya..

² yarooshalem men bhed-faatk ke pas aek kund haai jo ibraanee bhasha men betahasada kahalata haai, aur usake panch osare haainn.

³ in men bahut se beemar, andho, langade aur sookhe angavale panee ke hilane kee asha men pade rahate the.

⁴ kyonaki niyuaktai samay par parameshvar ke svargadoot kund men utarakar panee ko hilaya karate the: panee hilate hee jo koi paahile utarata vah changa ho jata tha chahe usakee koi beemaree kyon n ho.

⁵ vahan aek manushy tha, jo adtees varsha se beemaree men pada tha.

⁶ yeeshu ne use pada hua dekhkar aur janakar ki vah bahut dinon se is dasa men pada haai, us se poochha, kya too changa hona chahata haai?

⁷ us beemar ne us ko uttr diya, ki he prabhu, mere pas koi manushy nahee, ki jab panee hilaya jaa, to mujhe kund men utare parantu mere pahunchate pahunchate doosara mujh se paahile utar padta haai.

⁸ yeeshu ne us se kaha, ut, apanee khatt uttakar chal fira.

⁹ vah manushy turant changa ho gaya, aur apanee khatt uttakar chalane firane laga.

¹⁰ vah sabt ka din tha. isaaliye yahoodiee us se, jo changa hua tha, kahane lage, ki aj to sabt ka din haai, tujhe khatt uttanee uchitt naheen.

¹¹ us ne unhen uttr diya, ki jis ne mujhe changa kiya, usee ne mujh se kaha, apanee khatt uttakar chal fira.

¹² unhon ne us se poochha vah kaun manushy haai jis ne tujh se kaha, khatt uttakar chal fira?

¹³ parantu jo changa ho gaya tha, vah naheen janata tha vah kaun haai kyonaki us jagah men bheed hone ke karan yeeshu vahan se hatt gaya tha.

¹⁴ in baton ke bad vah yeeshu ko maandair men mila, tab us n us se kaha, dek, too to

changa ho gaya haai fir se pap mat karana, aesa n ho ki is se koi bharee vipaati tujh par a pade.

15 us manushy ne jakar yahoodiyon se kah diya, ki jis ne mujhe changa kiya, vah yeeshu haai.

16 is karan yahooder yeeshu ko satane lage, kyonaki vah aeese aeese kam sabt ke din karata tha.

17 is par yeeshu ne un se kaha, ki mera pita ab tak kam karata haai, aur maain bhee kam karata hoon.

18 is karan yahooder aur bhee aadhaik usake mar dalane ka prayatn karane lage, ki vah n keval sabt ke din kee vidhai ko todta, parantu parameshvar ko apana pita kah kar, apane ap ko parameshvar ke tuly ttharata tha..

19 is par yeeshu ne un se kaha, maain tum se sach sach kahata hoo, putra ap se kuchh naheen kar sakata, keval vah jo pita ko karate dekhta haai, kyonki jin jin kamon ko vah karata haai unhen putra bhee usee reeti se karata haai.

20 kyonaki pita putra se praeeti rakhta haai aur jo jo kam vah ap karata haai, vah sab usee dikhta haai aur vah in se bhee bade kam usee dikhaaega, taaki tum achambha karo.

21 kyoki jaaisa pita mare huon ko uttata aur jilata haai, vaaisa hee putra bhee jinhen chahata haai unhen jilata haai.

22 aur pita kisee ka nyay bhee naheen karata, parantu nyay karane ka sab kam putra ko saunp diya haai.

23 isaliye ki sab log jaaise pita ka adar karate haain vaaise hee putra ka bhee adar karen: jo putra ka adar naheen karata, vah pita ka jis ne usee bheja haai, adar naheen karata.

24 maain tum se sach sach kahata hoo, jo mera vachan sunakar meree bhejanevale kee praeeti karata haai, anant jeevan usaka haai, aur us par dand kee agyaa naheen hotee parantu vah mratyu se par hokar jeevan men pravesha kar chuka haai.

25 maain tum se sach sach kahata hoo, vah samay ata haai, aur ab haai, jis men mratak parameshvar kee putra ka shabd sunenge, aur jo sunenge ve jeeenge.

26 kyonaki jis reeti se pita apne ap men jeevan rakhta haai, usee reeti se us ne putra ko bhee yah aadhaikar diya haai ki apne ap men jeevan rakhe.

27 baran usee nyay karane ka bhee adhaikar diya haai, isaliye ki vah manushy ka putra haai.

28 is se achambha mat karo, kyonaki vah samay ata haai, ki jitane kabraen men haai, usaka shabd sunakar nikalenge.

29 jinhon ne bhlai kee haai ve jeevan kee punarootthan kee liye jee uttenge aur jinhon ne burai kee haai ve dand kee punarootthan kee liye jee uttenge.

30 maain apne ap se kuchh naheen kar sakata jaaisa sunata hoo, vaaisa nyay karata hoo, aur mera nyay sachcha haai kyonaki maain apneee ichchha nahee, parantu apneee bhejanevale kee ichchha chahata hoon.

31 yaadi maain ap hee apneee gavahee doon to meree gavahee sachchee naheen.

32 aek aur haai jo meree gavahee deta haai vah sachchee haai.

33 tum ne yohanna se puchhvaya aur us ne sachchai kee gavahee dee haai.

34 parantu maain apne vishay men manushy kee gavahee naheen chahata taubhee maain ye baten isaliye kahata hoo, ki tumhen uddhar mile.

35 vah jo jalata aur chamakata hua deepak tha aur tumhen kuchh der tak us kee jyoti me, magan hona achchha laga.

36 parantu meree pas jo gavahee haai vah yohanna kee gavahee se badee haai: kyonki jo

kam pita ne mujhe poora karane ko saunpa haai arthata yahee kam jo maain karata hoo, ve mere gavah haai, ki pita ne mujhe bheja haai.

³⁷ aur pita jis ne mujhe bheja haai, usee ne merree gavahee dee haai: tum ne n kabhee usaka shabd suna, aur n usaka roop dekha haai.

³⁸ aur usake vachan ko man men sthiar naheen rakhte kyonki jise us ne bheja us kee prateeati naheen karate.

³⁹ tum paavitra shaasr men ddoondhdhte ho, kyonaki samajhte ho ki us men anant jeevan tumhen milata haai, aur yah vahee haai, jo merree gavahee deta haai.

⁴⁰ fir bhee tum jeevan pane ke liye mere pas ana naheen chahate.

⁴¹ maain manushyon se adar naheen chahata.

⁴² parantu maain tumhen janata hoo, ki tum men parameshvar ka praem naheen.

⁴³ maain apane pita ke nam se aya hoo, aur tum mujhe grahan naheen karate yaadi koi aur apane hee nam se aa, to use grahan kar loge.

⁴⁴ tum jo aek doosare se adar chahate ho aur vah adar jo advait parameshvar kee or se haai, naheen chahate, kisee prakar vishvas kar sakate ho?

⁴⁵ yah n samajho, ki maain pita ke samhane tum par dosh lagaunga: tum par dosh laganevala to haai, arthata moosa jis par tum ne bhrosa rakha haai.

⁴⁶ kyonaki yadi tum moosa kee prateeati karate, to merree bhee prateeti karate, isaaliye ki us ne mere vishay men likha haai.

⁴⁷ parantu yadi tum us kee likhee hui baton kee prateeti naheen karate, to merree baton kee kyonkar prateeati karoge..

ADHYĀYA 6

In baton ke bad yeeshu galeel kee jheel arthata tibiriyas kee jheel ke pas gaya.

² aur aek badee bheed usake peechhe ho lee kayonaki jo ashcharya karma vah beemaron par dikhata tha ve un ko dekhte the.

³ tab yeeshu pahad par chaddhkar apane chelon ke sath vahan baaitta.

⁴ aur yahoodiyon ke fasah ke pabrba nikatt tha.

⁵ tab yeeshu ne apanee ankhe uttakar aek badee bheed ko apane pas ate dekha, aur filippus se kaha, ki ham in ke bhojan ke liye kahan se rottee mol laaen?

⁶ parantu us ne yah bat use parakhne ke liye kahee kyonki vah ap janata tha ki maain kya karoonga.

⁷ filippus ne us ko uttr diya, ki do sau deenar kee rottee un ke liye pooree bhee n hongee ki un men se har aek ko thodee thodee mil jaae.

⁸ usake chelon men se shamaun pataras ke bhai andairyas ne us se kaha.

⁹ yahan aek ladka haai jis ke pas jav kee panch rottee aur do machhaliyan haain parantu itane logon ke liye ve kya haain.

¹⁰ yeeshu ne kaha, ki logon ko baaitta do. us jagah bahut ghaas thee: tab ve log jo ginatee men lagabhg panch hajar ke the, baaitt gaee:

¹¹ tab yeeshu ne rotyaiaen lee, aur dhanyavad karake baaittnevalon ko bantt dee: aur vaaise hee machhliyon men se jitane ve chahate the bantt diya.

¹² jab ve khakar trapt ho gaee to us ne apane chelon se kaha, ki bache huae ttukade battor lo, ki kuchh faenka n jaae.

¹³ so unhon ne battora, aur jav kee panch rotyaiaen ke ttukade jo khanevalon se bach rahe the un kee barah ttokariyan bhreen.

- ¹⁴ tab jo ashcharya karma us ne kar dikhaya use ve log dekhkar kahane lage ki vah bhvishyadvkta jo jagat men ane vala tha nishchay yahee haai.
- ¹⁵ yeeshu yah janakar ki ve mujhe raja banane ke liye akar pakadna chahate haai, fir pahad par akela chala gaya.
- ¹⁶ fir jab sandhya hui, to usake chele jheel ke kinare gaae.
- ¹⁷ aur nav par chaddhkar jheel ke par kafaranahoom ko jane lage: us samay andhora ho gaya tha, aur yeeshu abhee tak un ke pas naheen aya tha.
- ¹⁸ aur andhaee ke karan jheel men lahare uttne lageen.
- ¹⁹ so jab ve khete khete teen char meel ke lagabhg nikal gaa, to unhon ne yeeshu ko jheel par chalute, aur nav ke nikatt ate dekha, aur dr gaae.
- ²⁰ parantu us ne un se kaha, ki maain hoon dro mata.
- ²¹ so ve use nav par chaddha lene ke liye taaiyar huae aur turant vah nav ke sthan par ja pahunchee jahan vah jate the.
- ²² doosare din us bheed ne, jo jheel ke par khdee thee, yah dekha, ki yahan aek ko chhodkar aur koi chhottee nav n thee, aur yeeshu apane chelon ke sath us nav par n chaddha, parantu keval usake chele chale gaae the.
- ²³ taubhee aur chhottee naven tibiriyas se us jagah ke nikatt ai, jahan unhon ne prabhu ke dhanyavad karane ke bad rottee khai thee.
- ²⁴ so jab bheed ne dekha, ki yahan n yeeshu haai, aur n usake chele, to ve bhee chhottee chhottee navon par chaddh ke yeeshu ko ddoondhdte huae kafaranahoom ko pahunche.
- ²⁵ aur jheel ke par us se milakar kaha, he rabbee, too yahan kab aya?
- ²⁶ yeeshu ne unhen uttr diya, ki maain tum se sach sach kahata hoo, tum mujhe isaliye naheen ddoondhdte ho ki tum ne achaambhiat kam dekhe, parantu isaliye ki tum rottiyaian khakar trapt huae.
- ²⁷ nashaman bhojan ke liye paarishram n karo, parantu us bhojan ke liye jo anant jeevan tak ttharata haai, jise manushy ka putra tumhen dega, kyonaki pita, arthata parameshvar ne usee par chhap kar dee haai.
- ²⁸ unhon ne us se kaha, parameshvar ke kayrya karane ke liye ham kya karen?
- ²⁹ yeeshu ne unhen uttr diya parameshvar ka kayrya yah haai, ki tum us par, jise us ne bheja haai, vishvas karo.
- ³⁰ tab unhon ne us se kaha, fir too kaun ka chindh dikhata haai ki ham use dekhkar teree prateeati kare, too kaun sa kam dikhata haai?
- ³¹ hamare bapadadon ne jangal men manna khaya jaaisa likha haai ki us ne unhen khane ke liye svarga se rottee dee.
- ³² yeeshu ne un se kaha, maain tum se sach sach kahata hoon ki moosa ne tumhen vah rottee svarga se n dee, parantu mera pita tumhen sachchee rottee svarga se deta haai.
- ³³ kyoki parameshvar kee rottee vahee haai, jo svarga se utarakar jagat ko jeevan detee haai.
- ³⁴ tab unhon ne us se kaha, he prabhu, yah rottee hamen sarvada diya kara.
- ³⁵ yeeshu ne un se kaha, jeevan kee rottee maain hoon: jo mere pas aaega vah kabhee bookha n hoga aur jo mujh par vishvas karega, vah kabhee piyasa n hoga.
- ³⁶ parantu maain ne tum se kaha, ki tum ne mujhe dekh bhee liya haai, tobhee vishvas naheen karate.
- ³⁷ jo kuchh pita mujhe deta haai vah sab mere pas aaega, use maain kabhee n nikaloonga.
- ³⁸ kyonaki maain apanee ichchha nahee, baran apane bhejanevale kee ichchha pooree

karane ke liye svarga se utara hoon.

39 aur mere bhejanevale kee ichchha yah haai ki jo kuchh us ne mujhe diya haai, us men se maain kuchh n khoun parantu use antim din fir jila uttaun.

40 kyonaki mere pita kee ichchha yah haai, ki jo koi putra ko dekhe, aur us par vishvas kare, vah anant jeevan paae aur maain use anatim din fir jila uttaunga.

41 so yahooder us par kudkudane lage, isaliye ki us ne kaha tha ki jo rottee svarga se utaree, vah maain hoon.

42 aur unhon ne kaha kya yah yoosufa ka putra yeeshu nahee, jis ke mata pita ko ham janate haain? to vah kyonkar kahata haai ki maain svarga se utara hoon.

43 yeeshu ne un ko uttr diya, ki apas men mat kudkudao.

44 koi mere pas naheen a sakata, jab tak pita, jis ne mujhe bheja haai, use kheench n le aur maain us ko antim din fir jila uttaunga.

45 bhavishyadvaktaon ke lekhn men yah likha haai, ki ve sab parameshvar kee or se sikhaae huae honge. jis kisee ne pita se suna aur seekha haai, vah mere pas ata haai.

46 yah nahee, ki kisee ne pita ko dekha parantu jo parameshvar kee or se haai, keval usee ne pita ko dekha haai.

47 maain tum se sach sach kahata hoo, ki jo koi vishvas karata haai, anant jeevan usee ka haai.

48 jeevan kee rottee maain hoon.

49 tumhare bapadadon ne jangal men manna khaya aur mar gaae.

50 yah vah rottee haai jo svarga se utaratee haai taaki manushy us men se khaae aur n mare.

51 jeevan kee rottee jo svarga se utaree maain hoon. yadi koi is rottee men se khaa, to sarvada jeevit rahega aur jo rottee maain jagat ke jeevan ke liye doonga, vah mera mans haai.

52 is par yahooder yah kahakar apas men jhgadne lage, ki yah manushy kyonkar hamen apana mans khane ko de sakata haai?

53 yeeshu ne un se kaha maain tum se sach sach kahata hoon jab tak manushy ke putra ka mans n khao, aur usaka lohoo n peeo, tum men jeevan naheen.

54 jo mera mans khata, aur mera lohoo peeta he, anant jeevan usee ka haai, aur maain antim din fir use jila uttaunga.

55 kyonaki mera mans vastav men khane kee vastu haai aur mera lohoo vastav men peen kee vastu haai.

56 jo mera mans khata aur mera lohoo peeta haai, vah mujh men sthiar bana rahata haai, aur maain us men.

57 jaaisa jeevate pita ne mujhe bheja aur maain pita ke karan jeevit hoon vaaisa hee vah bhee jo mujhe khaaega mere karan jeevit rahega.

58 jo rottee svarga se utaree yahee haai, bapadadon ke saman naheen ki khaya, aur mar gaae: jo koi yah rottee khaaega, vah sarvada jeevit rahega.

59 ye baten us ne kafaranahoom ke aek aradhanalay men upadesh dete samay kaheen.

60 isaliye usake chelon men se bahuton ne yah sunakar kaha, ki yah bat nagavar haai ise kaun sun sakata haai?

61 yeeshu ne apane man men yah jan kar ki mere chele apas men is bat par kudkudate haai, un se poochha, kya is bat se tumhen ttokar lagatee haai?

62 aur yaadi tum manushy ke putra ko jahan vah pahile tha, vahan upar jate dekhoge, to kya hoga?

- ⁶³ atma to jeevanadayak haai, shareer se kuchh labh naheen: jo baten maain ne tum se kaheen haain ve atma haai, aur jeevan bhee haain.
- ⁶⁴ parantu tum men se kitane aeese haain jo vishvas naheen karate: kyonaki yeeshu to paahile hee se janata tha ki jo vishvas naheen karate, ve kaun haain? aur kaun mujhe pakadvaaega.
- ⁶⁵ aur us ne kaha, isee liye maain ne tum se kaha tha ki jab tak kisee ko pita kee or yah baradan n diya jaae tak tak vah mere pas naheen a sakata.
- ⁶⁶ is par usake chelon men se bahutere ultte fir gaae aur usake bad usake sath n chale.
- ⁶⁷ tab yeeshu ne un barahon se kaha, kya tum bhee chale jana chahate ho?
- ⁶⁸ shamaun pataras ne us ko uttr diya, ki he prabhu ham kis ke pas jaaen? anant jeevan kee baten to tere hee pas haain.
- ⁶⁹ aur ham ne vishvas kiya, aur jan gaae haai, ki parameshvar ka pavitra jan too hee haai.
- ⁷⁰ yeeshu ne unhen uttr diya, kya maain ne tum barahon ko naheen chun liya? taubhee tum men se aek vyaaktai shautan haai.
- ⁷¹ yah us ne shamaun iskariyotee ke putra yahoodah ke vishay men kaha, kyonaki yahee jo un barahon men se tha, use pakadvane ko tha..

ADHYĀYA 7

- I**n baton ke bad yeeshu galeel men firata raha, kyonaki yahooddee use mar dalane ka yatn kar rahe the, isaaliye vah yahoodiya men firana n chahata tha.
- ² aur yahoodiyon ka mandpon ka pabrba nikatt tha.
- ³ isaliye usake bhaiyon ne us se kaha, yahan se kooch karake yahoodiya men chala ja, ki jo kam too karata haai, unhen tere chele bhee dekhen.
- ⁴ kyonankai aeese koi n hoga jo prasiddh hona chahe, aur chhpaikar kam kare: yadi too yah kam karata haai, to apane tai jagat par pragatt kara.
- ⁵ kyonaki usake bhai bhee us par vishvas naheen karate the.
- ⁶ tab yeeshu ne un se kaha, mera samay abhee naheen aya parantu tumhare liye sab samay haai.
- ⁷ jagat tum se baair naheen kar sakata, parantu vah mujh se baair karata haai, kyonaki maain usake virodha men yah gavahee deta hoo, ki usake kam bure haain.
- ⁸ tum pabrba men jao: maain abhee is pabrba men naheen jata kyonki abhee tak mera samay poora naheen hua.
- ⁹ vah un se ye baten kahakar galeel hee men rah gaya..
- ¹⁰ parantu jab usake bhai pabrba men chale gaa, to vah ap hee pragatt men nahee, parantu manon gupt hokar gaya.
- ¹¹ to yahooddee pabrba men use yah kahakar ddoondhne lage ki vah kahan haai?
- ¹² aur logon men usake vishay chupake chupake bahut see baten huin: kitane kahate the vah bhla manushy haai: aur kitane kahate the nahee, vah logon ko bhramata haai.
- ¹³ taubhee yahoodiyon ke bhy ke mare koi vyaktai usake vishay men khulakar naheen bolata tha.
- ¹⁴ aur jab pabrba ke adho din beet gaae to yeeshu mandair men jakar upadesh karane laga.
- ¹⁵ tab yahoodiyon ne achambha karake kaha, ki ise bin paddhe vidha kaaise a gai?
- ¹⁶ yeeshu ne unhen uttr diya, ki mera upadesh mera nahee, parantu mere bhejanevale ka

haai.

17 yaadi koi us kee ichchha par chalana chahe, to vah is upadesh ke vishay men jan jaaega ki vah parameshvar kee or se haai, ya maain apanee or se kahata hoon.

18 jo apanee or se kuchh kahata haai, vah apanee hee baddhai chahata haai parantu jo apane bhejanevale kee badai chahata haai vahee sachcha haai, aur us men adharm naheen.

19 kya moosa ne tumhen vyavastha naheen dee? taubhee tum men se kai vyavastha par naheen chalata. tum kyon mujhe mar dalana chahate ho?

20 logon ne uttr diya ki tujh men dushtatma haai kaun tujhe mar dalana chahata haai?

21 yeeshu ne un ko uttr diya, ki maain ne aek kam kiya, aur tum sab achambha karate ho.

22 isee karan moosa ne tumhen khtane kee agyaa dee haai yah naheen ki vah moosa kee or se haai parantu bapa-dadon se chalee ai haai, aur tum sabt ke din ko manushy ka khtana karate ho.

23 jab sabt ke din manushy ka khtana kiya jata haai taki moosa kee vyavastha kee agyaa tti n jaa, to tum mujh par kyon isaliye krodha karate ho, ki maain ne sabt ke din aek manushy ko pooree reeti se changa kiya.

24 munh dekhkar nyay n chukao, parantu tteek tteek nyay chukao..

25 tab kitane yarooshalemee kahane lage kya yah vah nahee, jis ke mar dalane ka prayatn kiya ja raha haai.

26 parantu dekho, vah to khullamakhulla baten karata haai aur koi us se kuchh naheen kahata kya sambhv haai ki saradaron ne sach sach jan liya haai ki yahee maseeh haai.

27 is ko to ham janate haai, ki yah kahan ka haai parantu maseeh jab aaega, to koi n janega ki vah kahan ka haai.

28 tab yeeshu ne mandair men upadesh dete huae pukar ke kaha, tum mujhe janate ho aur yah bhee janate ho ki maain kahan ka hoon: maain to ap se naheen aya parantu mera bhejanevala sachcha haai, us ko tum naheen janate.

29 maain use janata hoon kyonaki maain us kee or se hoon aur usee ne mujhe bheja haai.

30 is par unhon ne use pakadna chaha taubhee kisee ne us par hath n dala, kyonaki usaka samay ab tak n aya tha.

31 aur bheed men se bahuteron ne us par vishvas kiya, aur kahane lage, ki maseeh jab aaega, to kya is se adhaik ashcharyakarma dikhaaega jo is ne dikhaae?

32 fareesiyon ne logon ko usake vishay men ye baten chupake chupake karate suna aur mahayajakon aur fareesiyon ne usake pakadne ko sipahee bheje.

33 is par yeeshu ne kaha, maain thodee der tak aur tumhare sath hoon tab apane bhejanevale ke pas chala jaunga.

34 tum mujhe ddoonddhoge, parantu naheen paoge aur jahan maain hoo, vahan tum naheen a sakate.

35 yahoodiyon ne apas men kaha, yah kahan jaaega, ki ham ise n paaenge: kya vah un ke pas jaaega, jo yoonaniyon men tittr bittr hokar rahate haai, aur yoonaniyon ko bhee upadesh dega?

36 yah kya bat haai jo us ne kahee, ki tum mujhe ddoonddhoge, parantu n paoge: aur jahan maain hoo, vahan tum naheen a sakate?

37 fir pabrba ke anantim din, jo mukhy din haai, yeeshu khda hua aur pukar kar kaha, yaadi koi piyasa ho to mere pas akar peee.

38 jo mujh par vishvas karega, jaaisa pavitra shaasr men aya haai usake day men se jeevan ke jal kee nadiyan bah nikalegee.

- ³⁹ us ne yah vachan us atma ke vishay men kaha, jise us par vishvas karanevale pane par the kyonaki atma ab tak n utara tha kyonaki yeeshu ab tak apanee maahima ko n pahuncha tha.
- ⁴⁰ tab bheed men se kisee kisee ne ye baten sun kar kaha, sachamuch yahee vah bhvishyadvkta haai.
- ⁴¹ auron ne kaha yah maseeh haai, parantu kisee ne kaha kyon? kya maseeh galeel se aaega?
- ⁴² kya pavitra shaasr men naheen aya, ki maseeh daud ke vansh se aur baaitalaham ganv se aaega jahan daud rahata tha?
- ⁴³ so usake karan logon men foott padee.
- ⁴⁴ un men se kitane use pakadna chahate the, parantu kisee ne us par hath n dala..
- ⁴⁵ tab sipahee mahayajakon aur fareeasiyon ke pas aa, aur unhon ne un se kaha, tum use kyon naheen laae?
- ⁴⁶ sipaahiyon ne uttr diya, ki kisee manushy ne kabhee aeese baten n kee.
- ⁴⁷ fareesiyon ne un ko uttr diya, kya tum bhee bhramaae gae ho?
- ⁴⁸ kya saradaron ya fareesiyon men se kisee ne bhee us par vishvas kiya haai?
- ⁴⁹ parantu ye log jo vyavastha naheen janate, srapi haain.
- ⁵⁰ neekudemus ne, jo paahile usake pas aya tha aur un men se aek tha, un se kaha.
- ⁵¹ kya hamaree vyavastha kisee vyaktai ko jab tak pahile us kee sunakar jan n le, ki vah kya karata haai doshae ttharatee haai?
- ⁵² unhon ne use uttr diya kya too bhee galeel ka haai ddoonddh aur dek, ki galeel se koi bhvishyadvkta pragatt naheen hone ka.
- ⁵³ tab sab koi apane apane ghar ko gae..

ADHYĀYA 8

Parantu yeeshu jaaitoon ke pahad par gaya.

- ² aur bhor ko fir mandair men aya, aur sab log usake pas aae aur vah baaitkar unhen upadesh dene laga.
- ³ tab shaasree aur fareese aek sree ko laa, jo vyabhaichar men pakadee gai thee, aur us ko beech men khdee karake yeeshu se kaha.
- ⁴ he guro, yah sree vyaabhaichar karate hee pakadee gai haai.
- ⁵ vyavastha men moosa ne hamen agyaa dee haai ki aeese striayon kon patthravah karen: so too is sree ke vishay men kya kahata haai?
- ⁶ unhon ne us ko parakhne ke liye yah bat kahee taki us par dosh lagane ke liye koi bat pae, parantu yeeshu jhukakar ungalee se boomi par likhne laga.
- ⁷ jab ve us se poochhte rahe, to us ne seedho hokar un se kaha, ki toom men jo nishpap ho, vahee paahile usako patthr mare.
- ⁸ aur fir jhukakar boomi par ungalee se likhne laga.
- ⁹ parantu ve yah sunakar badon se lekar chhotton tak aek aek karake nikal gae, aur yeeshu akela rah gaya, aur sree vaheen beech men khdee rah gai.
- ¹⁰ yeeshu ne seedho hokar us se kaha, he naree, ve kahan gae? kya kisee ne tujh par dand kee agyaa n dee.
- ¹¹ usa ne kaha, he prabhu, kisee ne naheen: yeeshu ne kaha, maain bhee tujh par dand kee agyaa naheen deta ja, aur fir pap n karana..

- ¹² tab yeeshu ne fir logon se kaha, jagat kee jyoti maain hoon jo mere peechhe ho lega, vah andhakar men n chalega, parantu jeevan kee jyoti paaega.
- ¹³ fareesiyon ne us se kaha too apanee gavahee ap deta haai teree gavahee tteek naheen.
- ¹⁴ yeeshu ne un ko uttr diya ki yadi maain apanee gavahee ap deta hoo, taubhee meree gavahee tteek haai, kyonaki maain janata hoo, ki maain kahan se aya hoon aur kahan ko jata hoon? parantu tum naheen janate ki maain kahan se ata hoon ya kahan ko jata hoon.
- ¹⁵ tum shareer ke anusar nyay karate ho maain kisee ka nyay naheen karata.
- ¹⁶ aur yaadi maain nyay karoon bhee, to mera nyay sachcha haai kyonki maain akela nahee, parantu maain hoo, aur pita haai jis ne mujhe bheja.
- ¹⁷ aur tumharee vyavastha men bhee likha haai ki do janon kee gavahee milakar tteek hotee haai.
- ¹⁸ aek to maain ap apanee gavahee deta hoo, aur doosara pita meree gavahee deta haai jis ne mujhe bheja.
- ¹⁹ unhon ne us se kaha, tera pita kahan haai? yeeshu ne uttr diya, ki n tum mujhe janate, to mere pita ko bhee janate.
- ²⁰ ye baten us ne mandair men upadesh dete huae bhndar ghar men kahee, aur kisee ne use n pakada kyonki usaka samay ab tak naheen aya tha..
- ²¹ us ne fir un se kaha, maain jata hoon aur tum mujhe ddoondhdhoge aur apane ap men maroge: jahan maain jata hoo, vahan tum naheen a sakate.
- ²² is par yahoodiyon ne kaha, kya vah apane ap ko mar dalega, jo kahata haai ki jahan maain jata hoon vahan tum naheen a sakate?
- ²³ us ne un se kaha, tum neeche ke ho, maain upar ka hoon tum sansar ke ho, maain sansar ka naheen.
- ²⁴ isaliye maain ne tum se kaha, ki tum apane papon men maroge kyonaki yadi tum vishvas n karoge ki maain vaheen hoo, to apane papon men maroge.
- ²⁵ unhon ne us se kaha, too kaun haai? yeeshu ne un se kaha, vahee hoon jo praarambh se tum se kahata aya hoon.
- ²⁶ tumhare vishay men mujhe bahut kuchh kahana aur nirny karana haai parantu mera bhejanevala sachcha haai aur jo maain ne us se suna he, vahee jagat se kahaha hoon.
- ²⁷ ve n samajhe ki ham se pita ke vishay men kahata haai.
- ²⁸ tab yeeshu ne kaha, ki jab tum manushy ke putra ko unche par chaddhaoge, to janoge ki maain vahee hoo, aur apane ap se kuchh naheen karata, parantu jaaise pita ne mujhe sikhaya, vaaise hee ye baten kahata hoon.
- ²⁹ aur mera bhejanevala mere sath haai us ne mujhe akela naheen chhoda kyonki maain sarvada vahee kam karata hoo, jis se vah prasann hota haai.
- ³⁰ vah ye baten kah hee raha tha, ki bahuteron ne us par vishvas kiya..
- ³¹ tab yeeshu ne un yahoodiyon se jinhon ne un kee prateeati kee thee, kaha, yaadi tum mere vachan men bane rahoge, to sachamuch mere chele ttharoge.
- ³² aur saty ko janoge, aur saty tumhen svatantra karega.
- ³³ unhon ne us ko uttr diya ki ham to ibraaheem ke vansh se haain aur kabhee kisee ke das naheen hue fir too kyonkar kahata haai, ki tum svatantra ho jaoge?
- ³⁴ yeeshu ne un ko uttr diya maain tum se sach sach kahata hoon ki jo koi pap karata haai, vah pap ka das haai.
- ³⁵ aur das sada ghar men naheen rahata putra sada rahata haai.
- ³⁶ so yaadi putra tumhen svatantra karega, to sachamuch tum svatantra ho jaoge.

- 37 maain janata hoon ki tum ibraaheem ke vansh se ho taubhee mera vachan tumhare day men jagah naheen pata, isaaliye tum mujhe mar dalana chahate ho.
- 38 maain vahee kahata hoo, jo apane pita ke yahan dekha haai aur tum vahee karate rahate ho jo tumane apane pita se suna haai.
- 39 unhon ne un ko uttr diya, ki hamara pita to ibraaheem haai: yeeshu ne un se kaha yaadi tum ibraaheem ke santan hote, to ibraaheem ke saman kam karate.
- 40 parantu ab tum mujh aeese manushy ko mar dalana chahate ho, jis ne tumhen vah saty vachan bataya jo parameshvar se suna, yah to ibraaheem ne naheen kiya tha.
- 41 tum apane pita ke saman kam karate ho: unhon ne us se kaha, ham vyabhaichar se naheen janme hamara aek pita haai arthata parameshvara.
- 42 yeeshu ne un se kaha yaadi parameshvar tumhara pita hota, to tum mujh se praem rakhte kyonaki maain parameshvar men se nikal kar aya hoon maain ap se naheen aya, parantu usee ne mujhe bheja.
- 43 tum merree bat kyon naheen samajhte? isaliye ki mera vachan sun naheen sakate.
- 44 tum apane pita shautan se ho, aur apane pita kee lalasaon ko poora karana chahate ho. vah to arambh se hatyara haai, aur saty par sthiar n raha, kyonaki saty us men haai hee naheen: jab vah joott bolata, to apane svabhav hee se bolata haai kyonaki vah jootta haai, baran joott ka pita haai.
- 45 parantu maain jo sach bolata hoo, iseealiye tum merree prateeeti naheen karate.
- 46 tum men se kaun mujhe papee ttharata haai? aur yaadi maain sach bolata hoo, to tum merree prateeeti kyon naheen karate?
- 47 jo parameshvar se hota he, vah parameshvar kee baten sunata haai aur tum isaaliye naheen sunate ki parameshvar kee or se naheen ho.
- 48 yah sun yahoodiyon ne us se kaha kya ham tteek naheen kahate, ki too samaree haai, aur tujh men dushttatma haai?
- 49 yeeshu ne uttr diya, ki mujh men dushttatma naheen parantu maain apane pita ka adar karata hoo, aur tum mera niradar karate ho.
- 50 parantu maain apanee praatishtta naheen chahata, ha, aek to haai jo chahata haai, aur nyay karata haai.
- 51 maain tum se sach sach kahata hoo, ki yadi koi vyaktai mere vachan par chalega, to vah anant kal tak mratyu ko n dekhega.
- 52 yahoodiyon ne us se kaha, ki ab ham ne jan liya ki tujh men dushttatma haai: ibraaheem mar gaya, aur bhavishyadvkta bhee mar gaae haain aur too kahata haai, ki yadi koi mere vachan par chalega to vah anant kal tak mratyu ka svad n chakhega.
- 53 hamara pita ibraaheem to mar gaya, kya too us se bada haai? aur bhavishyadvkta bhee mar gaa, too apane ap ko kya ttharata haai.
- 54 yeeshu ne uttr diya yaadi maain ap apanee maahima karoo, to merree maahima kuchh nahee, parantu merree mahima karanevala mera pita haai, jise tum kahate ho, ki vah hamara parameshvar haai.
- 55 aur tum ne to use naheen jana: parantu maain use janata hoon aur yaadi kahoon ki maain use naheen janata, to maain tumharee nain jootta ttharoonga: parantu maain use janata, aur usake vachan par chalata hoon.
- 56 tumhara pita ibraaheem mera din dekhne kee asha se bahut magan tha aur us ne dekha, aur anand kiya.
- 57 yahoodiyon ne us se kaha, ab tak too pachas varsha ka naheen fir bhee too ne ibraaheem ko dekha haai?

⁵⁸ yeeshu ne un se kaha maain tum se sach sach kahata hoon ki pahile isake ki ibraaheem utpann hua maain hoon.

⁵⁹ tab unhon ne use marane ke liye patthr uttaa, parantu yeeshu chhpaikar maandair se nikal gaya..

ADHYĀYA 9

fir jate huae us ne aek manushy ko dekha, jo janm ka andha tha.

² aur usake chelon ne us se poochha, he rabbee, kis ne pap kiya tha ki yah andha janma, is manushy ne, ya usake mata pita ne?

³ yeeshu ne uttr diya, ki n to is ne pap kiya tha, n is ke mata pita ne: parantu yah isaaliye hua, ki parameshvar ke kam us men pragatt hon.

⁴ jis ne mujhe bheja haai hamen usake kam din hee din men karana avashy haai: vah rat anevalee haai jis men koi kam naheen kar sakata.

⁵ jab tak maain jangal men hoo, tab tak jagat kee jyoti hoon.

⁶ yah kahakar us ne boomi par tooka aur us took se mittee sanee, aur vah mittee us andho kee ankhone par lagakara.

⁷ us se kaha ja shaeeloh ke kund men dhae le, jis ka arth bheja hua haai so us ne jakar dhaeya, aur dekhta hua lautt aya.

⁸ tab padosee aur jinhon ne pihale use bheekh mangate dekha tha, kahane lage kya yah vahee nahee, jo baaita bheekh manga karata tha?

⁹ kitanon ne kaha, yah vahee haai: auron ne kaha, naheen parantu usake saman haai: us ne kaha, maain vahee hoon.

¹⁰ tab ve us se poochhne lage, teree ankhen kyonkar khul gai?

¹¹ us ne uttr diya, ki yeeshu nam ek vyaktai ne mittee sanee, aur meree ankhone par lagakar mujh se kaha, ki shaeeloh men jakar dhae le so maain gaya, aur dhaekar dekhne laga.

¹² unhon ne us se poochha vah kahan haai? us ne kaha maain naheen janata..

¹³ log use jo pahile andha tha fareesiyon ke pas le gae.

¹⁴ jis din yeeshu ne mittee sanakar us kee ankhe kholee thee vah sabt ka din tha.

¹⁵ fir fareesiyon ne bhee us se poochha teree ankhen kis reeti se khul gai? us ne eun se kaha us ne meree ankho par mittee lagai, fir maain ne dhae liya, aur ab dekhta hoon.

¹⁶ is par kai fareesee kahane lage yah manushy parameshvar kee or se nahee, kyonki vah sabt ka din naheen manata. auron ne kaha, papee manushy kyonkar aeese chinh dikha sakata haai? so un men foott padee.

¹⁷ unhon ne us andho se fir kaha, us ne jo teree ankhe kholee, too usake vishay men kya kahata haai? us ne kaha, yah bhvishyadvkta haai.

¹⁸ parantu yahoodiyon ko vishvas n hua ki yah andha tha aur ab dekhta haai jab tak unhon ne usake mata-pita ko jis kee ankhe khul gai thee, bulakara.

¹⁹ un se n poochha, ki kya yah tumhara putra haai, jise tum kahate ho ki andha janma tha? fir ab kyonkar dekhta haai?

²⁰ usake mata-apita ne uttr diya ham to janate haain ki yah hamara putra haai, aur andha janma tha.

²¹ parantu ham yah naheen janate haain ki ab kyonkar dekhta haai aur n yah janate haai, ki kis ne us kee ankhe kholeen vah sayana haai usee se poochh lo vah apane vishay men ap kah dega.

- ²² ye baten usake mata-pita ne isaliye kaheen kyonki ve yahoodiyon se drate the kyoki yahoodee aeka kar chuke the, ki yadi koi kahe ki vah maseeh haai, to aradhanalay se nikala jaae.
- ²³ isee karan usake mata-apita ne kaha, ki vah sayana haai usee se poochh lo.
- ²⁴ tab unhon ne us manushy ko jo andha tha doosaree bar bulakar us se kaha, parameshvar kee stuti kara ham to janate haain ki vah manushy papee haai.
- ²⁵ us ne uttr diya: maain naheen janata ki vah papee haai ya naheen: maain ek bat janata hoon ki maain andha tha aur ab dekhta hoon.
- ²⁶ unhon ne us se fir kaha, ki us ne tere sath kya kiya? aur kis terah teree ankhen kholee?
- ²⁷ us ne un se kaha maain to tum se kah chuka, aur tum ne ne suna ab doosaree bar kyon sunana chahate ho? kya tum bhee usake chele hona chahate ho?
- ²⁸ tab ve use bura-bhla kahakar bole, too hee usaka chela haai ham to moosa ke chele haain.
- ²⁹ ham janate haain ki parameshvar ne moosa se baten keen parantu is manushy ko naheen janate kee kahan ka haai.
- ³⁰ us ne un ko uttr diya yah to achambhe kee bat haai ki tum naheen janate kee kahan ka haai taubhee us ne meree ankhen khol deen.
- ³¹ ham janate haain ki parameshvar papiyon kee naheen sunata parantu yaadi koi parameshvar ka bhkt ho, aur us kee ichchha par chalata haai, to vah us kee sunata haai.
- ³² jagat ke arambh se yah kabhee sunane men naheen aya, ki kisee ne bhee janm ke andho kee ankhe kholee hon.
- ³³ yaadi yah vyaaktai parameshvar kee or se n hota, to kuchh bhee naheen kar sakata.
- ³⁴ unhon ne us ko uttr diya, ki too to bilakul papon men janma haai, too hamen kya sikhata haai? aur unhon ne use bahar nikal diya..
- ³⁵ yeeshu ne suna, ki unhon ne use bahar nikal diya haai aur jab use bhentt hui to kaha, ki kya too parameshvar ke putra par vishvas karata haai?
- ³⁶ us ne uttr diya, ki he prabhu vah kaun haai ki maain us par vishvas karoon?
- ³⁷ yeeshu ne us se kaha, too ne use dekha bhee haai aur jo tere sath baten kar raha haai vahee haai.
- ³⁸ us ne kaha, he prabhu, maain vishvas karata hoon: aur use dandvat kiya.
- ³⁹ tab yeeshu ne kaha, maain is jagat men nyay ke liye aya hoo, taki jo naheen dekhte ve dekhe, aur jo dekhte haain ve andho ho jaaen.
- ⁴⁰ jo fareesee usake sath the, unhon ne ye baten sun kar us se kaha, kya ham bhee andho haain?
- ⁴¹ yeeshu ne un se kaha, yaadi tum andho hote to papee n ttharate parantu ab kahate ho, ki ham dekhte haai, isaaliye tumhara pap bana rahata haai..

ADHYĀYA 10

maain tum se sach sach kahata hoo, ki jo koi dar se bhedshaala men pravesh naheen karata, parantu aur kisee or se chaddh jata haai, vah chor aur dakoo haai.

² parantu jo dar se bheetar pravesh karata haai vah bhedon ka charavaha haai.

³ usake liye darapal dar khol deta haai, aur bhenden usaka shabd sunatee haai, aur vah apanee bhedon ko nam le lekar bulata haai aur bahar le jata haai.

⁴ aur jab vah apanee sab bhedon ko bahar nikal chukata haai, to un ke age age chalata haai, aur bheden usake peechhe peechhe ho lettee haain kyonki ve usak shabd

pahachanatee haain.

⁵ parantu ve paraye ke peechhe naheen jaaengee, parantu us se bhagengee, kyonki ve parayon ka shabd naheen pahachanatee.

⁶ yeeshu ne un se yah drashttant kaha, parantu ve n samajhe ki ye kya baten haain jo vah ham se kahata haai..

⁷ tab yeeshu ne un se fir kaha, maain tum se sach sach kahata hoo, ki bhedon ka dar maain hoon.

⁸ jitane mujh se pahile aae ve sab chor aur dakoo haain parantu bhedon ne un kee n sunee.

⁹ dar maain hoon: yadi koi mere dara bheetar pravesk kare to uddhar paaega aushra bheetar bahar aya jaya karega aur chara paaega.

¹⁰ chor kisee aur kam ke liye naheen parantu keval choree karane aur ghaat karane aur nasht karane ko ata haai. maain isaaliye aya ki ve jeevan paae, aur bahutayat se paaen.

¹¹ achchha charavaha maain hoon achchha charavaha bhedon ke liye apana praan deta haai.

¹² majadoor jo n charavaha haai, aur n bhedon ka malik haai, bheadiae ko ate huae dek, bhedon ko chhodkar bhag jata haai, aur bheadiya unhen pakadta aur tittr bittr kar deta haai.

¹³ vah isaliye bhag jata haai ki vah majadoor haai, aur us ko bhedon kee chinta naheen.

¹⁴ achchha charavaha maain hoon jis tarah pita mujhe janata haai, aur maain pita ko janata hoon.

¹⁵ isee tarah maain apee bhedon ko janata hoo, aur meree bheden mujhe janatee haai, aur maain bhedon ke liye apana praan deta hoon.

¹⁶ aur meree aur bhee bheden haai, jo is bhedshaala kee naheen mujhe un ka bhee lana avashy haai, ve mera shabd sunengee tab aek hee jhund aur aek hee charavaha hoga.

¹⁷ pita isaliye mujh se praem rakhta haai, ki maain apana praan deta hoo, ki use fir le loon.

¹⁸ koi use mujh se chheenata nahee, baran maain use ap hee deta hoon: mujhe usake dene ka adhaikar haai, aur use fir lene ka bhee aadhaikar haai: yah agyaa mere pita se mujhe milee haai..

¹⁹ in baton ke karan yahoodiyon men fir foott padee.

²⁰ un men se bahutere kahane lage, ki us men dushttatma haai, aur vah pagal haai us kee kyon sunate ho?

²¹ auron ne kaha, ye bat aeese manushy kee naheen jis men dushttatma ho: kya dushttatma andhaen kee ankhe khol sakatee haai?

²² yarooshalem men sthapan pabrba hua, aur jade kee retu thee.

²³ aur yeeshu mandair men sulaaيمان ke osare men tthal raha tha.

²⁴ tab yahoodiyon ne use a ghora aur poochha, too hamare man ko kab tak duavidha men rakhega? yaadi too maseeh haai, to ham se safa kah de.

²⁵ yeeshu ne unhen uttr diya, ki maain ne tum se kah diya, aur tum prateeti karate hee nahee, jo kam maain apane pita ke nam se karata hoon ve hee mere gavah haain.

²⁶ parantu tum isaaliye prateeti naheen karate, ki meree bhedon men se naheen ho.

²⁷ meree bheden mera shabd sunatee haai, aur maain unhen janata hoo, aur ve mere peechhe peechhe chalutee haain.

²⁸ aur maain unhen anant jeevan deta hoo, aur ve kabhee nash naheen hongee, aur koi unhen mere hath se chheen n lega.

- ²⁹ mera pita, jis ne unhen mujh ko diya haai, sab se bada haai, aur koi unhen pita ke hath se chheen naheen sakata.
- ³⁰ maain aur pita aek haain.
- ³¹ yahoodiyon ne use patthravah karate ko fir patthr uttaaе.
- ³² is par yeeshu ne un se kaha, ki maain ne tumhen apane pita kee or se bahut se bhle kam dikhaae haai, un men se kis kam ke liye tum mujhe patthravah karate ho?
- ³³ yahoodiyon ne us ko uttr diya, ki bhle kam ke liye ham tujhe patthravah naheen karate, parantu parameshvar kee ninda ke karan aur isaliye ki too manushy hokar apane ap ko parameshvar banata haai.
- ³⁴ yeeshu ne unhen uttr diya, kya tumharee vyavastha men naheen likha haai ki maain ne kaha, tum ishvar ho?
- ³⁵ yaadi us ne unhen ishvar kaha jin ke pas parameshvar ka vachan pahuncha aur paavitra shaasr kee bat lop naheen ho sakatee.
- ³⁶ to jise pita ne paavitra ttharakar jagat men bheja haai, tum us se kahate ho ki too ninda karata haai, isaliye ki maain ne kaha, maain parameshvar ka putra hoon.
- ³⁷ yaadi maain apane pita ke kam naheen karata, to meree prateeti n karo.
- ³⁸ parantu yadi maain karata hoo, to chahe meree prateeti n bhee karo, parantu un kamon kee to prateeti karo, taaki tum jano, aur samajho, ki pita mujh men haai, aur maain pita men hoon.
- ³⁹ tab unhon ne fir use pakadne ka prayatn kiya parantu vah un ke hath se nikal gaya..
- ⁴⁰ fir vah yaradan ke par us sthan par chala gaya, jahan yoohanna pahile bapatisma diya karata tha, aur vaheen raha.
- ⁴¹ aur bahutere usake pas akar kahate the, ki yuhanna ne to koi chinh naheen dikhaya, parantu jo kuchh yoohanna ne is ke vishay men kaha tha vah sab sach tha.
- ⁴² aur vahan bahuteron ne us par vishvas kiya..

ADHYĀYA 11

maariyam aur us kee baahin maratha ke ganv baaitaaniyyah ka lajar nam aek manushy beemar tha.

- ² yah vahee mariyam thee jis ne prabhu par itra dalakar usake panvon ko apane balon se ponchha tha, isee ka bhai lajar beemar tha.
- ³ so us kee baahinon ne use kahala bheja, ki he prabhu, dek, jis se too praeeti rakhta haai, vah beemar haai.
- ⁴ yah sunakar yeeshu ne kaha, yah beemaree mratyuu kee nahee, parantu parameshvar kee maahima ke liye haai, ki usake dara parameshvar ke putra kee mahima ho.
- ⁵ aur yeeshu maratha aur us kee bahan aur lajar se praem rakhta tha.
- ⁶ so jab us ne suna, ki vah beemar haai, to jis sthan par vah tha, vahan do din aur tthar gaya.
- ⁷ fir is ke bad us ne chelon se kaha, ki ao, ham fir yahoodiya ko chalen.
- ⁸ chelon ne us se kaha, he rabbee, abhee to yahoodee tujhe patthravah karana chahate the, aur kya too fir bhee vaheen jata haai?
- ⁹ yeeshu ne uttr diya, kya din ke barah ghanthe naheen hote? yaadi koi din ko chale, to ttokar naheen khata haai, kyonaki is jagat ka ujala dekhta haai.
- ¹⁰ parantu yadi koi rat ko chale, to ttokar khata haai, kyonaki us men prakash naheen.

- 11** us ne ye baten kahee, aur is ke bad un se kahane laga, ki hamara mitra lajar so gaya haai, parantu maain use jagane jata hoon.
- 12** tab chelon ne us se kaha, he prabhu, yadi vah so gaya haai, to bach jaaega.
- 13** yeeshu ne to us kee mratyu ke vishay men kaha tha: parantu ve samajhe ki us ne neend se so jane ke vishay men kaha.
- 14** tab yeeshu ne un se safa kah diya, ki lajar mar gaya haai.
- 15** aur maain tumhare karan anaandait hoon ki maain vahan n tha jis se tum vishvas karo, parantu ab ao, ham usake pas chalen.
- 16** tab thoma ne jo didumus kahalata haai, apane sath ke chelon se kaha, ao, ham bhee usake sath marane ko chalen.
- 17** so yeeshu ko akar yah maloom hua ki use kabra men rakhe char din ho chuke haain.
- 18** baaitaniyyah yarooshalem ke sameep koi do meel kee dooree par tha.
- 19** aur bahut se yahooddee maratha aur maariyam ke pas un ke bhai ke vishay men shaantai dene ke liye aae the.
- 20** so maratha yeeshu ke ane ka samachar sunakar us se bhentt karane ko gai, parantu mariyam ghar men baaittee rahee.
- 21** maratha ne yeeshu se kaha, he prabhu, yadi too yahan hota, to mera bhai kadaapi n marata.
- 22** aur ab bhee maain janatee hoo, ki jo kuchh too parameshvar se mangega, parameshvar tujhe dega.
- 23** yeeshu ne us se kaha, tera bhai jee uttega.
- 24** maratha ne us se kaha, maain janatee hoo, ki antaim din men punarootthan ke samay vah jee uttega.
- 25** yeeshu ne us se kaha, punarootthan aur jeevan maain hee hoo, ja koi mujh par vishvas karata haai vah yadi mar bhee jaa, taubhee jeeaaega.
- 26** aur jo koi jeevata haai, aur mujh par vishvas karata haai, vah anantakal tak n marega, kya too is bat par vishvas karatee haai?
- 27** us ne us se kaha, han he prabhu, maain vishvas kar chukee hoo, ki parameshvar ka putra maseeh jo jagat men ane vala tha, vah too hee haai.
- 28** yah kahakar vah chalee gai, aur apanee baahin mariyam ko chupake se bulakar kaha, guroo yaheen haai, aur tujhe bulata haai.
- 29** vah sunate hee turant uttkar usake pas ai.
- 30** yeeshu abhee ganv men naheen pahuncha tha, parantu usee sthan men tha jahan maratha ne us se bhentt kee thee.
- 31** tab jo yahooddee usake sath ghar men the, aur use shaantai de rahe the, yah dekhkar ki mariyam turant uttke bahar gai haai aur yah samajhkar ki vah kabra par rone ko jatee haai, usake peechhe ho liye.
- 32** jab maariyam vahan pahunchee jahan yeeshu tha, to use dekhte hee usake panvon par gir ke kaha, he prabhu, yadi too yahan hota to mera bhai n marata.
- 33** jab yeeshu n us ko aur un yahoodiyon ko jo usake sath aae the rote huae dekha, to atma men bahut hee udas hua, aur ghabara kar kaha, tum ne use kahan rakha haai?
- 34** unhon ne us se kaha, he prabhu, chalakar dekh le.
- 35** yeeshu ke ansoo bahane lage.
- 36** tab yahooddee kahane lage, dekho, vah us se kaaisee praeeti rakhta tha.
- 37** parantu un men se kitanon ne kaha, kya yah jis ne andho kee ankhen kholee, yah bhee n kar saka ki yah manushy n marata?

- ³⁸ yeeshu man men fir bahut hee udas hokar kabra par aya, vah aek gufaa thee, aur aek patthr us par dhara tha.
- ³⁹ yeeshu ne kaha patthr ko uttao: us mare huae kee baahin maratha us se kahane lagee, he prabhu, us men se ab to durgandha atee haai kyonki use mare char din ho gaae.
- ⁴⁰ yeeshu ne us se kaha, kya maain ne tujh se n kaha i ki yadi too vishvas karegee, to parameshvar kee mahima ko dekhegee.
- ⁴¹ tab unhon ne us patthr ko hattaya, fir yeeshu ne ankhen uttakar kaha, he pita, maain tera dhanyavad karata hoon ki too ne meree sun lee haai.
- ⁴² aur maai janata tha, ki too sada meree sunata haai, parantu jo bheed as pas khdee haai, un ke karan maain ne yah kaha, jis se ki ve vishvas kare, ki too ne mujhe bheja haai.
- ⁴³ yah kahakar us ne bade shabd se pukara, ki he lajar, nikal a.
- ⁴⁴ jo mar gaya tha, vah kafan se hath panv bandho huae nikal aya aur usaka munh angochhe se lipatta hua tharoo yeeshu ne un se kaha, use kholakar jane do..
- ⁴⁵ tab jo yahooddee mariyam ke pas aae the, aur usaka yah kam dekha tha, un men se bahuton ne us par vishvas kiya.
- ⁴⁶ parantu un men se kitanon ne fareesiyan ke pas jakar yeeshu ke kamon ka samachar diya..
- ⁴⁷ is par mahayajakon aur fareesiyan ne mukhy sabha ke logon ko ikattha karake kaha, ham karate kya haain? yah manushy to bahut chinh dikhata haai.
- ⁴⁸ yaadi ham use yonhee chhod de, to sab us par vishvas le aaenge aur rome akar hamaree jagah aur jaati donon par aadhaikar kar lenge.
- ⁴⁹ tab un men se kaifaa nam aek vyaktai ne jo us varsha ka mahayajak tha, un se kaha, tum kuchh naheen janate.
- ⁵⁰ aur n yah sochate ho, ki tumhare liye yah bhla haai, ki hamare logon ke liye aek manushy mare, aur n yah, ki saree jaati nash ho.
- ⁵¹ yah bat us ne apanee or se n kahee, parantu us varsha ka mahayajak hokar bhavishyadvnee kee, ki yeeshu us jaati ke liye marega.
- ⁵² aur n keval us jaati ke liye, baran isaaliye bhee, ki parameshvar kee tittr bittr santanon ko aek kar de.
- ⁵³ so usee din se ve usake mar dalane kee sammati karane lage..
- ⁵⁴ isaliye yeeshu us samay se yahoodiyan men pragatt hokar n fira parantu vahan se jangal ke nikatt ke dekh men iaim nam, aek nagar ko chala gaya aur apane chelon ke sath vaheen rahane laga.
- ⁵⁵ aur yahoodiyan ka fasah nikatt tha, aur bahutere log fasah se paahile dihat se yarooshalem ko gaae ki apane ap ko shuuddh karen.
- ⁵⁶ so ve yeeshu ko ddoonddhne aur maandair men khde hokar apas men kahane lage, tum kya samajhte ho?
- ⁵⁷ kya vah pabrba men naheen aaega? aur mahayajakon aur fareesiyan ne bhee agyaa de rakhee thee, ki yadi koi yah jane ki yeeshu kahan haai to bataa, ki use pakad len..

ADHYĀYA 12

fir yeeshu fatah se chh: din pahile baaitaniyyah men aya, janha lajar tha: jise yeeshu ne mare huon men se jilaya tha.

² vahan unhon ne usake liye bhojan taaiyar kiya, aur maratha seva kar rahee thee, aur lajar un men se aek tha, jo usake sath bhojan karane ke liye baaitte the.

- ³ tab maariyam ne jattamasee ka adha ser bahumol itra lekar yeeshu ke pavon par dala, aur apane balon se usake panv ponchhe, aur itra kee sugandha se ghar sugaandhiat ho gaya.
- ⁴ parantu usake chelon men se yahooda iskariyotee nam aek chela jo use pakadvane par tha, kahane laga.
- ⁵ yah itra teen sau deenar men bechakar kangalon ko kayon n diya gaya?
- ⁶ us ne yah bat isaliye n kahee, ki use kangalon kee chinta thee, parantu isaliye ki vah chor tha aur usake pas un kee thailee rahatee thee, aur us men jo kuchh dala jata tha, vah nikal leta tha.
- ⁷ yeeshu ne kaha, use mere gade jane ke din ke liye rahane de.
- ⁸ kyonaki kangal to tumhare sath sada rahate haai, parantu maain tumhare sath sada n rahoonga..
- ⁹ yahoodiyon men se sadhaaran log jan gaa, ki vah vahan haai, aur ve n keval yeeshu ke karan aae parantu isaaliye bhee ki lajar ko denkhe, jise us ne mare huon men se jilaya tha.
- ¹⁰ tab mahayajakon ne lajar ko bhee mar dalane kee sammati kee.
- ¹¹ kyonaki usake karan bahut se yahoodae chale gaa, aur yeeshu par vishvas kiya..

ADHYĀYA 17

Yeeshu ne ye baten kaheen aur apane ankhe akash kee or uttakar kaha, he pita, vah ghadee a pahunchee, apane putra kee maahima kar, ki putra bhee teree mahima kare.

² kyonaki too ne us ka sab praanaiyon par aadhaikar diya, ki jinhen too ne us ko diya haai, un sab ko vah anant jeevan de.

³ aur anant jeevan yah haai, ki ve tujh advait sachche parameshvar ko aur yeeshu maseeh ko, jise too ne bheja haai, jane.

⁴ jo kam too ne mujhe karane ko diya tha, use poora karake maain ne prathvee par teree mahima kee haai.

⁵ aur ab, he pita, too apane sath meree mahima us maahima se kar jo jagat ke hone se paahile, meree tere sath thee.

⁶ maain ne tera nam un manushyon par pragatt kiya jinhen too ne jagat men se mujhe diya: ve tere the aur too ne unhen mujhe diya aur unhon ne tere vachan ko man liya haai.

⁷ ab ve jan gaae haai, ki jo kuchh too ne mujhe diya haai, sab teree or se haai.

⁸ kyonaki jo baten too ne mujhe pahuncha dee, maain ne unhen unako pahuncha diya aur unhon ne un ko grahan kiya: aur sach sach jan liya haai, ki maain teree or se nikala hoo, aur prateeeti kar lee haai ki too hee ne mujhe bheja.

⁹ maain un ke liye binatee karata hoo, sansar ke liye binatee naheen karata hoon parantu unheen ke liye jinhen too ne mujhe diya haai, kyonki ve tere haain.

¹⁰ aur jo kuchh mera haai vah sab tera haai aur jo tera haai vah mera haai vah sab tera haai aur jo tera haai, vah mera haai aur in se meree maahima pragatt hui haai.

¹¹ maain age ko jagat men n rahoonga, parantu ye jagat men rahenge, aur maain tere pas ata hoon he paavitra pita, apane us nam se jo too ne mujhe diya haai, un kee raksha kar, ki ve hamaree nai aek hon.

¹² jab maai. un ke sath tha, to maain ne tere us nam se, jo too ne mujhe diya haai, un kee raksha kee, maain ne un kee chaukasee kee aur vinash ke putra ko chhod un men se kai nash n hua, isaaliye ki pavitra shaasr kee bat pooree ho.

¹³ parantu ab maain tere pas ata hoo, aur ye baten jagat men kahata hoo, ki ve mera anand apane men poora paaen.

¹⁴ maain ne tera vachan unhen pahuncha diya haai, aur sansar ne un se baair kiya, kyonaki jaaisa maain sansar ka nahee, vaaise hee ve bhee sansar ke naheen.

¹⁵ maain yah binatee naheen karata, ki too unhen jagat se utta le, parantu yah ki too unhen us dusht se bachaae rakh.

¹⁶ jaaise maain sansar ka nahee, vaaise hee ve bhee sansar ke naheen.

¹⁷ saty ke dara unhen paavitra kara: tera vachan saty haai.

¹⁸ jaaise too ne jagat men mujhe bheja, vaaise hee maain ne bhee unhen jagat men bheja.

¹⁹ aur un ke liye maain apne ap ko pavitra karata hoon taki ve bhee saty ke dara pavitra kiae jaaen.

²⁰ maain keval inheen ke liye binatee naheen karata, parantu un ke liye bhee jo in ke vachan ke dara mujh par vishvas karenge, ki ve sab aek hon.

²¹ jaaisa too he pita mujh men haai, aur maain tujh men hoo, vaaise hee ve bhee ham men ho, isaaliye ki jagat prateeeti kare, ki too hee ne mujhe bheja.

²² aur vah maahima jo too ne mujhe dee, maain ne unhen dee haai ki ve vaaise hee aek hon jaaise kee ham aek haain.

- ²³ maain un men aur too mujh men ki ve siddh hokar aek ho jaae, aur jagat jane ki too hee ne mujhe bheja, aur jaaisa too ne mujh se praem rakha, vaaisa hee un se praem rakha.
- ²⁴ he pita, maai. chahata hoon ki jinhen too ne mujhe diya haai, jahan maain hoo, vahan ve bhee mere sath hon ki ve meree us maahima ko dekhen jo too ne mujhe dee haai, kyonki too ne jagat kee utpaati se pahile mujh se praem rakha.
- ²⁵ he dhaarmik pita, sansar ne mujhe naheen jana, parantu maain ne tujhe jana aur inhon ne bhee jana ki too hee ne mujhe bheja.
- ²⁶ aur maain ne tera nam un ko bataya aur batata rahoonga ki jo praem tujh ko mujh se tha, vah un men rahe aur maain un men ragoon..

ADHYĀYA 18

Yeeshu ye baten kahakar apane chelon ke sath kidraen ke nale ke par gaya, vahan aek baree thee, jis men vah aur usake chele gaae.

- ² aur usaka pakadvanevala yahooda bhee vah jagah janata tha, kyonki yeeshu apane chelon ke sath vahan jaya karata tha.
- ³ tab yahooda palattn ko aur mahayajakon aur fareeasiyon kee or se pyadon ko lekar deepakon aur mashaalon aur haathaiaron ko liae huae vahan aya.
- ⁴ tab yeeshu un sab baton ko jo us par anevalee thee, janakar nikala, aur un se kahane laga, kise ddoonddhte ho?
- ⁵ unhon ne usako uttr diya, yeeshu nasaree ko: yeeshu ne un se kaha, maain hee hoon: aur usaka pakadvanevala yahooda bhee un ke sath khda tha.
- ⁶ usake yah kahate hee, ki maain hoo, ve peechhe hattkar boomi par gir pade.
- ⁷ tab us ne fir un se poochha, tum kis ko ddoonddhte ho.
- ⁸ ve bole, yeeshu nasaree ko. yeeshu ne uttr diya, maain to tum se kah chuka hoon ki maain hee hoo, yadi mujhe ddoonddhte ho to inhen jane do.
- ⁹ yai isaliye hua, ki vah vachan poora ho, jo us ne kaha tha ki jinhen too ne mujhe diya, un men se maain ne aek ko bhee n khoya.
- ¹⁰ shamaun pataras ne talavar, jo usake pas thee, kheenchee aur mahayajak ke das par chalakar, usaka daahina kan uda diya, us das ka nam malakhus tha.
- ¹¹ tab yeeshu ne pataras se kaha, apanee talavar kattee men rakh: jo kattora pita ne mujhe diya haai kya maain use n peeun?
- ¹² tab sipaahiyon aur un ke soobedar aur yahoodiyon ke pyadon ne yeeshu ko pakadkar bandha liya.
- ¹³ aur paahile use hanna ke pas le gaae kyonki vah us varsha ke mahayajak kaifaa ka sasur tha.
- ¹⁴ yah vahee kaifaa tha, jis ne yahoodiyon ko salah dee thee ki hamare logon ke liye aek puroosh ka marana achchha haai.
- ¹⁵ shamaun pataras aur aek aur chela bhee yeeshu ke peechhe ho liae: yah chela mahayajak ka jana pahachana tha aur yeeshu ke sath mahayajak ke angat men gaya.
- ¹⁶ parantu pataras dar par khda raha, tab vah doosara chela jo mahayajak ka jana pahachana tha, bahar nikala, aur darapalin se kahakar, pataras ko bheetar le aya.
- ¹⁷ us dasee ne jo darapalin thee, pataras se kaha, kya too bhee is manushy ke chelon men se haai? us ne kaha, maain naheen hoon.
- ¹⁸ das aur pyade jade ke karan koaele dhadhakakar khde tap rahe the aur pataras bhee

un ke sath khda tap raha tha..

19 tak mahayajak ne yeeshu se usake chelon ke vishay men aur usake upadesh ke vishay men poochha.

20 yeeshu ne us ko uttr diya, ki maain ne jagat se kholakar baten kee maain ne sabhaon aur aradhanalay men jahan sab yahooddee ikatthe hua karate haain sada upadesh kiya aur gupt men kuchh bhee naheen kaha.

21 too mujh se kyon poochhta haai? sunanevalon se poochh: ki maain ne un se kya kaha? dekh ve janate haain ki maain ne kya kya kaha?

22 tab us ne yah kaha, to pyadon men se aek ne jo pas khda tha, yeeshu ko thppad marakar kaha, kya too mahayajak ko is prakar uttr deta haai.

23 yeeshu ne use uttr diya, yaadi maain ne bura kaha, to us burai par gavahee de parantu yadi bhla kaha, to mujhe kyon marata haai?

24 hanna ne use bandho huae kaifaa mahayajak ke pas bhej diya..

25 shamaun pataras khda hua tap raha tha. tab unhon ne us se kaha kya too bhee usake chelon men se haai? us n inkar karake kaha, maain naheen hoon.

26 mahayajak ke dason men se aek jo usake kuttumb men se tha, jisaka kan pataras ne katt dala tha, bola, kya maain ne tujhe usake sath baree men n dekha tha?

27 pataras fir inkar kar gaya aur turant murga ne bang dee..

28 aur ve yeeshu ko kaifaa ke pas se kile ko le gaae aur bhor ka samay tha, parantu ve ap kile ke bheetar n gaae taaki ashuddh n hon parantu fasah kha saken.

29 tab peelatus un ke pas bahar nikal aya aur kaha, tum is manushy par kis bat kee naliya karate ho?

30 unhon ne us ko uttr diya, ki yadi vah kukarmee n hota to ham use tere hath n saunpate.

31 peelatus ne un se kaha, tum hee ise le jakar apanee vyavastha ke anusar usaka nyay karo: yahoodayon ne us se kaha, hamen adhaikar naheen ki kisee ka praan len.

32 yah isaliye hua, ki yeeshu kee vah bat pooree ho jo us ne yah pata dete huae kahee thee, ki usaka marana kaaisa hoga..

33 tab peelatus fir kile ke bheetar gaya aur yeeshu ko bulakar, us se poochha, kya too yahoodiyon ka raja haai?

34 yeeshu ne uttr diya, kya too yah bat apanee or se kahata haai ya auron ne mere vishay men tujh se kahee?

35 peelatus ne uttr diya, kya maain yahooddee hoon? teree hee jaati aur mahayajakon ne tujhe mere hath saunpa, too ne kya kiya haai?

36 yeeshu ne uttr diya, ki mera rajy is jagat ka nahee, yadi mera rajy is jagat ka hota, to mere sevak ladte, ki maain yahoodiyon ke hath saunpa n jata: parantu ab mera rajy yahan ka naheen.

37 peelatus ne us se kaha, ki too kahata haai, kyonaki maain raja hoon maain ne isaliye janm liya, aur isaliye jagat men aya hoon ki saty par gavahee doon jo koi saty ka haai, vah mera shabd sunata haai.

38 peelatus ne us se kaha, saty kya haai? aur yah kahakar vah fir yahoodiyon ke pas nikal gaya aur un se kaha, maain to us men kuchh dosh naheen pata.

39 par tumharee yah reeti haai ki maain fasah men tumhare liye aek vyaktai ko chhod doon so kya tum chahate ho, ki maain tumhare liye yahoodiyon ke raja ko chhod doon?

40 tab unhon ne fir chillakar kaha, ise naheen parantu hamare liye baraabba ko chhod de aur baraabba dakoo tha..

ADHYĀYA 19

Is par peelatus ne yeeshu ko lekar kode lagavaae.

² aur sipaahiyon ne kantton ka mukutt goonthkar usake sir par rakha, aur use baainjaneer vasr paahinaya.

³ aur usake pas a akar kahane lage, he yahoodiyon ke raja, pranama! aur use thppad mare.

⁴ tak peelatus ne fir bahar nikalakar logon se kaha, dekho, maain use tumhare pas fir bahar lata hoon taki tum jano ki maain kuchh bhee dosh naheen pata.

⁵ tak yeeshu kantton ka mukutt aur baainjaneer vasr pahine huae bahar nikala aur peelatus ne un se kaha, dekho, yah puroosha.

⁶ jab mahayajakon aur pyadon ne use dekha, to chillakar kaha, ki use kroos par chaddha, kroos par : peelatus ne un se kaha, tum hee use lekar kroos par chaddhao kyonaki maain us men dosh naheen pata.

⁷ yahoodiyon ne us ko uttr diya, ki hamaree bhee vyavastha haai aur us vyavastha ke anusar vah mare jane ke yogy haai kyonaki us ne apane ap ko parameshvar ka putra banaya.

⁸ jab peelatus ne yah bat sunee to aur bhee dr gaya.

⁹ aur fir kile ke bheetar gaya aur yeeshu se kaha, too kahan ka haai? parantu yeeshu ne use kuchh bhee uttr n diya.

¹⁰ peelatus ne us se kaha, mujh se kyon naheen bolata? kya too naheen janata ki tujhe chhod dene ka aadhaikar mujhe haai aur tujhe kroos par chaddhane ka bhee mujhe adhaikar haai.

¹¹ yeeshu ne uttr diya, ki yadi tujhe upar se n diya jata, to tera mujh par kuchh aadhaikar n hota isaliye jis ne mujhe tere hadha pakadvaya haai, usaka pap aadhaik haai.

¹² is se peelatus ne use chhod dena chaha, parantu yahoodayon ne chilla chillakar kaha, yadi too is ko chhod dega to teree bhaktai kaaisar kee or naheen jo koi apane ap ko raja banata haai vah kaaisar ka samhana karata haai.

¹³ ye baten sunakar peelatus yeeshu ko bahar laya aur us jagah aek chabootara tha jo ibraanee men gabbata kahalata haai, aur nyay asan par baaita.

¹⁴ yah fasah kee taaiyaree ka din tha aur chhtte ghannte ke lagabhg tha: tab us ne yahoodiyon se kaha, dekho, yahee haai, tumhara raja!

¹⁵ parantu ve chillaae ki le ja! le ja! use kroos par chaddha: peelatus ne un se kaha, kya maain tumhare raja ko kroos par chaddhaun? mahayajakon ne uttr diya, ki kaaisar ko chhod hamara aur koi raja naheen.

¹⁶ tab us ne use un ke hath saunp diya taaki vah kroos par chaddhaya jaae..

¹⁷ tab ve yeeshu ko le gaae. aur vah apana kroos uttaa huae us sthan tak bahar gaya, jo khopadee ka sthan kahalata haai aur ibraanee men gulaguta.

¹⁸ vahan unhon ne use aur usake sath aur do manushyon ko kroos par chaddhaya, aek ko idhar aur aek ko udhar, aur beech men yeeshu ko.

¹⁹ aur peelatus ne aek dosha-patra likhkar kroos par laga diya aur us men yah likha hua tha, yeeshu nasaree yahoodiyon ka raja.

²⁰ yah dosha-patra bahut yahoodiyon ne paddha kyonaki vah sthan jahan yeeshu kroos par chaddhaya gaya tha nagar ke pas tha aur patra ibraanee aur lateenee aur yoonanee men likha hua tha.

²¹ tab yahoodiyon ke mahayajakon ne peelatus se kaha, yahoodiyon ka raja mat likh parantu yah ki us ne kaha, maain yahoodiyon ka raja hoon.

- ²² peelatus ne uttr diya, ki maain ne jo likh diya, vah likh diya..
- ²³ jab sipahee yeeshu ko kroos par chaddha chuke, to usake kapade lekar char bhag kia, har sipahee ke liye aek bhag aur kurata bhee liya, parantu kurata bin seean upar se neeche tak buna hua tha: isaliye unhon ne apas men kaha, ham is ko n faade, parantu is par chitthee dalen ki vah kis ka hoga.
- ²⁴ yah isaliye hua, ki pavitra shaasr kee bat pooree ho ki unhon ne mere kapade apas men bantt liye aur mere vasr par chitthee dalee: so sipaahiyon ne aeesea hee kiya.
- ²⁵ parantu yeeshu ke kroos ke pas us kee mata aur us kee mata kee bahin mariyam, klopas kee patnee aur mariyam magadaleenee khdee thee.
- ²⁶ yeeshu ne apanee mata se kaha he naree, dek, yah tera putra haai.
- ²⁷ tab us chele se kaha, yah teree mata haai, aur usee samay se vah chela, usee apane ghar le gaya..
- ²⁸ is ke bad yeeshu ne yah janakar ki ab sab kuchh ho chuka isaliye ki pavitra shaasr kee bat pooree ho kaha, maain pyasa hoon.
- ²⁹ vahan aek sirake se bhra hua bartan dhara tha, so unhon ne sirake ke bhaigoae huae ispanj ko joofae par rakhkar usake munh se lagaya.
- ³⁰ jab yeeshu ne vah siraka liya, to kaha poora hua aur sir jhukakar praan tyag diae..
- ³¹ aur isaliye ki vah taaiyaree ka din tha, yahoodiyon ne peelatus se binatee kee ki un kee ttange tod dee jaaen aur ve utare jaaen taaki sabt ke din ve krooson par n rahe, kyonki vah sabt ka din bada din tha.
- ³² so sipaahiyon ne akar pahile kee ttangen todeen tab doosare kee bhee, jo usake sath krooson par chaddhaae gaae the.
- ³³ parantu jab yeeshu ke pas akar dekha ki vah mar chuka haai, to us kee ttangen n todeen.
- ³⁴ parantu sipaahiyon men se aek ne barachhe se usaka panjar bedha aur us men se turant lohoo aur panee nikala.
- ³⁵ jis ne yah dekha, usee ne gavahee dee haai, aur us kee gavahee sachchee haai aur vah janata haai, ki sach kahata haai ki tum bhee vishvas karo.
- ³⁶ ye baten isaaliye huin ki pavitra shaasr kee yah bat pooree ho ki us kee koi haddee todee n jaaegee.
- ³⁷ fir aek aur sthan par yah likha haai, ki jise unhon ne bedha haai, us par draashtti karenge..
- ³⁸ in baton ke bad aramatiyah ke yoosufa ne, jo yeeshu ka chela tha, parantu yahoodiyon ke dr se is bat ko chhpaiaae rakhta tha, peelatus se binatee kee, ki maain yeeshu kee loth ko le jau, aur peelatus ne us kee binatee sunee, aur vah akar us kee loth le gaya.
- ³⁹ nikudemus bhee jo paahile yeeshu ke pas rat ko gaya tha pachas ser ke lagabhg mila hua gandharas aur aelava le aya.
- ⁴⁰ tab unhon ne yeeshu kee loth ko liya aur yahoodiyon ke gadne kee reeati ke anusar usee sugandha dravy ke sath kafan men lapetta.
- ⁴¹ us sthan par jahan yeeshu kroos par chaddhaya gaya tha, ek baree thee aur us baree men ek nai kabra thee jis men kabhee koi n rakha gaya tha.
- ⁴² so yahoodiyon ke taaiyaree ke din ke kara, unhon ne yeeshu ko usee men rakha, kyonaki vah kabra nikatt thee..

Saptah ke paahile din mariyam magadaleenee bhor ko andhora rahate hee kabra par ai, aur patthr ko kabra se hatta hua dekha.

2 tab vah daudee aur shamaun pataras aur us doosare chele ke pas jis se yeeshu praem rakhta tha akar kaha, ve prabhu ko kabra men se nikal le gaae haain aur ham naheen janatee, ki use kahan rakh diya haai.

3 tab pataras aur vah doosara chela nikalakar kabra kee or chale.

4 aur donon sath sath daud rahe the, parantu doosara chela pataras se age baddhkar kabra par pahile pahuncha.

5 aur jhukakar kapade pade dekhe: taubhee vah bheetar n gaya.

6 tab shamaun pataras usake peechhe peechhe pahuncha aur kabra ke bheetar gaya aur kapade pade dekhe.

7 aur vah angochha jo usake sir se bandha hua tha, kapadon ke sath pada hua naheen parantu alag aek jagah lapetta hua dekha.

8 tab doosara chela bhee jo kabra par pahile pahuncha tha, bheetar gaya aur dekhkar vishvas kiya.

9 ve to ab tak paavitra shaasr kee vah bat n samajhte the, ki use mare huon men se jee uttna hoga.

10 tab ye chele apane ghar lautt gaae.

11 parantu mariyam rotee hui kabra ke pas hee bahar khdee rahee aur rote rote kabra kee or jhukakar,

12 do svargadooton ko ujjavat kapade pahine huae aek ko sirahane aur doosare ko paaitane baaitte dekha, jahan yeeshu kee loth padee thee.

13 unhon ne us se kaha, he naree, too kyon rotee haai? us ne un se kaha, ve mare prabhu ko utta le gaae aur maain naheen janatee ki use kahan rakha haai.

14 yah kahakar vah peechhe firee aur yeeshu ko khde dekha aur n pahachana ki yah yeeshu haai.

15 yeeshu ne us se kaha, he naree too kyon rotee haai? jis ko ddoondhthee haai? us ne malee samajhkar us se kaha, he maharaj, yadi too ne use utta liya haai to mujh se kah ki use kahan rakha haai aur maain use le jaungee.

16 yeeshu ne us se kaha, maariyama! us ne peechhe firakar us se ibraanee men kaha, rabboonee arthata he guroo.

17 yeeshu ne us se kaha, mujhe mat choo kyonki maain ab tak pita ke pas upar naheen gaya, parantu mere bhaiyon ke pas jakar un se kah de, ki maain apane pita, aur tumhare parameshvar ke pas upar jata hoon.

18 maariyam magadaleenee ne jakar chelon ko bataya, ki maain ne prabhu ko dekha aur us ne mujh se baten kaheen..

19 usee din jo saptah ka pahila din tha, sandhya ke samay jab vahan ke dar jahan chele the, yahoodiyon ke dr ke mare band the, tab yeeshu aya aur beech men khda hokar un se kaha, tumhen shaantai mile.

20 aur yah kahakar us ne apana hath aur apana panjar un ko dikhaae: tab chele prabhu ko dekhkar anaandait hue.

21 yeeshu ne fir un se kaha, tumhen shaantai mile jaaise pita ne mujhe bheja haai, vaaise hee maain bhee tumhen bhejata hoon.

22 yah kahakar us ne un par foonka aur un se kaha, paavitra atma lo.

23 jin ke pap tum kshama karo ve un ke liye kshama kiae gaae haain jin ke tum rakho, ve rakhe gaae haain..

- ²⁴ parantu barahon men se aek vyaaktai arthata thoma jo didumus kahalata haai, jab yeeshu aya to un ke sath n tha.
- ²⁵ jab aur chele us se kahane lage ki ham ne prabhu ko dekha haai: tab us ne un se kaha, jab tak maain us ke hathon men keelon ke chhed n dekh loo, aur keelon ke chhedon men apanee ungalee n dal loo, tab tak maain prateeti naheen karoonga..
- ²⁶ att din ke bad us ke chele fir ghar ke bheetar the, aur thoma un ke sath tha, aur dar band the, tab yeeshu ne akar aur beech men khda hokar kaha, tumhen shaantai mile.
- ²⁷ tab us ne thoma se kaha, apanee ungalee yahan lakar mere panjar men dal aur aavishvasee naheen parantu vishvasee ho.
- ²⁸ yah sun thoma ne uttr diya, he mere prabhu, he mere parameshvara!
- ²⁹ yeeshu ne us se kaha, too ne to mujhe dekhkar vishvas kiya haai, dhany haain ve jinhon ne bina dekhe vishvas kiya..
- ³⁰ yeeshu ne aur bhee bahut chinh chelon ke samhane dikhaa, jo is pustak men likhe naheen gaae.
- ³¹ parantu ye isaaliye likhe gaae haai, ki tum vishvas karo, ki yeeshu hee parameshvar ka putra maseeh haai: aur vishvas karake usake nam se jeevan pao..

ADHYĀYA 21

- I**n baton ke bad yeeshu ne apne ap ko tibiriyas jheel ke kinare chelon par pragatt kiya aur is reeati se pragatt kiya.
- ² shamaun pataras aur thoma jo didumus kahalata haai, aur galeel ke kana nagar ka natanaael aur jabadee ke putra, aur usake chelon men se do aur jan ikatthe the.
- ³ shamaun pataras ne un se kaha, maain machhlee pakadne jata hoon: unhon ne us se kaha, ham bhee tere sath chalute haain: so ve nikalakar nav par chaddhe, parantu us rat kuchh n pakada.
- ⁴ bhor hote hee yeeshu kinare par khda hua taubhee chelon ne n pahachana ki yah yeeshu haai.
- ⁵ tab yeeshu ne un se kaha, he balako, kya tumhare pas kuchh khane ko haai? unhon ne uttr diya ki naheen.
- ⁶ us ne un se kaha, nav kee dahinee or jal dalo, to paoge, tab unhon ne jal dala, aur ab machhliyon kee bahutayat ke karan use kheench n sake.
- ⁷ isaliye us chele ne jis se yeeshu praem rakhta tha pataras se kaha, yah to prabhu haai: shamaun pataras ne yah sunakar ki prabhu haai, kamar men angarakha kas liya, kyonaki vah nanga tha, aur jheel men kood pada.
- ⁸ parantu aur chele dongee par machhliyon se bhra hua jal kheenchate huae aa, kyonki ve kinare se adhaik door nahee, koi do sau hath par the.
- ⁹ jab kinare par utare, to unhon ne koaele kee ag, aur us r machhlee rakhee hui, aur rottee dekhee.
- ¹⁰ yeeshu ne un se kaha, jo machhliyan tum ne abhee pakadee haai, un men se kuchh lao.
- ¹¹ shamaun pataras ne dongee par chaddhkar aek sau tirman badee machhliyon se bhra hua jal kinare par kheencha, aur itanee machhaliyan hone par bhee jan n fatta.
- ¹² yeeshu ne un se kaha, ki ao, bhojan karo aur chelon men se kisee ko hiyav n hua, ki us se poochhe, ki too kaun haai?
- ¹³ yeeshu aya, aur rottee lekar unhen dee, aur vaaise hee machhlee bhee.

- ¹⁴ yah teesaree bar haai, ki yeeshu ne mare huon men se jee uttne ke bad chelon ko darshan diae..
- ¹⁵ bhojan karane ke bad yeeshu ne shamaun pataras se kaha, he shamaun, yoohanna ke putra, kya too in se baddhkar mujh se praem rakhta haai? us ne us se kaha, han prabhu too to janata haai, ki maain tujh se praeeti rakhta hoon: us ne us se kaha, mere memanon ko chara.
- ¹⁶ us ne fir doosaree bar us se kaha, he shamaun yoohanna ke putra, kya too mujh se praem rakhta haai? us ne un se kaha, ha, prabhu too janata haai, ki maain tujh se praeeti rakhta hoon: us ne us se kaha, meree bhedon kee rakhvalee kara.
- ¹⁷ us ne teesaree bar us se kaha, he shamaun, yoohanna ke putra, kya too mujh se praeeti rakhta haai? pataras udas hua, ki us ne use teesaree bar aeese kaha ki kya too mujh se praeeti rakhta haai? aur us se kaha, he prabhu, too to sab kuchh janata haai: too yah janata haai ki maain tujh se praeeti rakhta hoon: yeeshu ne us se kaha, meree bhedon ko chara.
- ¹⁸ maain tujh se sach sach kahata hoo, jab too javan tha, to apanee kamar bandhakar jahan chahata tha, vahan firata tha parantu jab too booddha hoga, to apane hath lambe karega, aur doosara teree kamar bandhakar jahan too n chahega vahan tujhe le jaaega.
- ¹⁹ us ne in baton se pata diya ki pataras kaaisee mratyu se parameshvar kee mahima karega aur yah kahakar, us se kaha, mere peechhe ho le.
- ²⁰ pataras ne firakar us chele ko peechhe ate dekha, jis se yeeshu praem rakhta tha, aur jis ne bhojan ke समय us kee chhatee kee aur jhukakar poochha he prabhu, tera pakadvanevala kaun haai?
- ²¹ use dekhkar pataras ne yeeshu se kaha, he prabhu, is ka kya hal hoga?
- ²² yeeshu ne us se kaha, yaadi maain chahoon ki vah mere ane tak tthara rahe, to tujhe kya? too mere peechhe ho le.
- ²³ isaliye bhaiyon men yah bat faail gai, ki vah chela n marega taubhee yeeshu ne us se yah naheen kaha, ki yah n marega, parantu yah ki yadi maain chahoon ki yah mere ane tak tthara rahe, to tujhe is se kya?
- ²⁴ yah vahee chela haai, jo in baton kee gavahee deta haai aur jis ne in baton ko likha haai aur ham janate haai, ki us kee gavahee sachchee haai.
